Breakfast Lion President Tom Flynn, presents Beaver Geoffrey McNamara, and Beaver Darren Hearfield with their charter. The St. Albert Breakfast Lions Club have taken the Beavers into the "Lion's Lodge" and the youngsters will be sponsored by the Lions Club.

Joint meeting told St. Albert needs study on sewer line impact

Mr. Art Stapleton, mayor of Morinville, accompanied by representatives of the Morinville town council and the Thibeault School Board, were present at the committee of the whole meeting on Monday night with hopes to reverse the St. Albert decision not to permit Morinville to intercept St. Albert's sewer line.

"We are very hopeful with our submission this evening," Mr. Stapleton began, "that you might reconsider your latest decision to withold any agreement until a further study is done on the implications of the impact on the town of St. Albert by this sewer line being intercepted."

Mr. Stapleton said that the Morinville council feels the request for further study is redundant because "we feel your council, in its early stages of having this pipeline put in, was made well aware as to its capacity by the consulting engineers." He noted that the town has a forecast of the future population of the town of St. Albert and he said that the studies which have already taken place were enough for the St. Albert council to form an opinion as to what would be forthcoming from the Morinville area.

"We are also asking you to re-examine a motion passed by council at an earlier date, that you would accept the sewer line intercepting your line," Mayor Stapleton stated. He quoted a motion from the minutes of the previous council (moved by Coun. Bakker) that a letter be sent to the Town of Morinville advising them that permission would be given to hooking into the outfall line and that the rates for sewer charges be those as charged in the Town of St. Albert. Mr. Stapleton pointed out that the motion had been followed up by a letter from the town's administrator, Mr. R. L. Byron, dated March 20.

FEELS ST. ALBERT COMMITTED

"We feel," Mr. Stapleton continued, "that this was a commitment and we feel that the council of today should be morally obligated at least to honour this commitment. We do not feel that anything would be gained by further study. This study if it was implicated would take a considerable length of time and I'm sure you are well aware that time is not in our favour as far as construction is concerned because of the increased costs."

Mr. Stapleton pointed out that the development permit for the line is subject to conditions as outlined in a brief submitted by the town of St. Albert at a public hearing on July 5, 1973, and also the brief submitted by the town's engineers, Stanley Associates. He noted that in this brief it is stated that "this represents a very substantial capital investment on the part of the town of St. Albert, but is also an indication in quantitive terms, of the willingness of the town of St. Albert to recognize their regional environmental responsibilities, and to co-operate with the MD of Sturgeon and the City of Edmonton in providing a waste water disposal system which is of possible ad-

Beavers could expand

A meeting to discuss possible expansion of the Beaver program in St. Albert will be held in the Grandin Clubhouse on Thursday, May 22 at 8 p.m.

There will be a slide presentation and those in attendance will have the opportunity to ask questions of a representative of the Scouting Movement regarding Beavering.

The Beavers is a Boy Scouts of Canada affiliate catering to boys between five and eight years old (or Grade 3 - whichever comes first). Preparing the youngsters for cubs, Beavers features indoor and outdoor activities along with crafts and "how to get along with people."

To be featured at the meeting in addition to the slide presentation will be the program for the remainder of this year and plans for expanding Beavering in St. Albert. The current Beaver Colony was greeted with an enthusiastic response when it was founded last year and the Colony grew with leaps and bounds.

The Beavers have had activities which include a wiener roast at Lions Park, a tour of Standard General facilities, and arts and crafts.

The Beaver Colony is sponsored by the St. Albert Breakfast Lions Club.

Students damage buses

Damage to at least two vehicles has been sustained in St. Albert due to irresponsible acts of a few high school students. The students, passengers on a school bus, have thrown objects out of the school bus window causing broken vehicle windshields on two occasions.

Superintendent Elmer Gish of District No. 6 said that the school board is extremely unhappy about the situation and that whatever steps are necessary to stop this kind of behaviour will be undertaken. If those who are responsible do not come forward, or are not named by other students, and if the incidents continue, it could result in loss of busing privileges on the route concerned for a period of time.

Board supports lower ratio for kindergarten

Several members of the St. Albert Parish Kindergarten were present at the regular board meeting of the St. Albert Catholic School District No. 3 on Monday, May 5. School Board Chairman Steve Sieben introduced the trustees to the kindergarten board.

KINDERGARTEN CONTRACT

The representatives of the Parish Kindergarten presented the trustees with a copy of last year's kindergarten contract which contained a few minor amendments. Trustee Peter Freeman moved that the board accept the contract and amendments in principle and the motion was carried. District 3 will have its lawyer review the contract.

Trustee Ernie Howrish thought the meeting an opportune time to commend the kindergarten board members for their work over the past years.

Mrs. Kay Romeril of the kindergarten board answered several questions posed by the trustees. She said that the kindergarten is hopeful that it will receive the extra portable classroom which it has requested. Two hundred and forty-five children are presently registered for the 75/76 kindergarten year. The kindergarten had originally hoped to reduce the existing pupil teacher ratio of 25:1 to 20:1 with the acquisition of the portable. A reply had been received from the Department of Education, however, which was not too encouraging. Apparently a pupil teacher ratio of 25:1 is considered adequate and a lower ratio would be given a lesser priority for a portable.

Trustee Sylvia Walsh suggested that the District No. 3 board write to the Department of Education supporting the kindergarten in its endeavour to reduce the pupil teacher ratio. This suggestion was agreed and made a motion.

ALBERT LACOMBE - OPEN AREA

Mr. R. Binette, principal of Albert Lacombe School, was present at the meeting to discuss the open area at Albert Lacombe School which had been at the centre of some controversy. He said that he had spoken to a number of teachers and had established that there were two groups who were more than willing to move into the open area.

Mr. Binette gave details of a plan which had been devised to accommodate Grade 1 students in traditional classrooms. It called for some reshuffling of classrooms and the erection of a stud wall. Grade 7 students would now make use of the open area. Deputy Superintendent, George Soetaert strongly supported Mr. Binette's plan.

Mr. Loretta Shell, who had organized a petition against an open area for Grade 1 students, was present at the meeting. Trustee Freeman asked her how she felt about the proposal. Mrs. Shell replied that she was delighted and she extended her thanks to the trustees.

EDUCATIONAL CRUISE

The board read an exciting proposal from members of St. Albert High School. The proposal involved an educational cruise abroad a P & O Steam Navigation Co Vessel "Uganda" to London, Athens and the Middle East. Apparently, several Alberta schools have already participated in education cruises of this nature.

Trustee Freeman suggested that the high school students gather more information and the board would be in a better position to evaluate the proposal.

TV ARTS PROGRAM

A request was made from representatives of the high school, including Mr. Ross Johnson, principal, for the

Carrier Receipts

Beginning today the Gazette carriers will have printed, perforated receipts for their customers, similar to those used by a local daily. It is hoped these will be an improvement for both our subscribers and the boys and girls who deliver the Gazette. Please keep your receipt until the following week.

Grade One registration

Registration for new grade one children for Sir Alexander Mackenzie School takes place on Thursday, May 15 between 9 a.m. and 11 a.m. at the school. Children must be six years of age by February 28, 1976 in order to register for the fall term. Parents are advised to take birth certificates to the pre-registration.

Students who will be attending Ron Harvey School in Lacombe Park should register at Sir Alexander Mackenzie School on this date as well. Any Grandin students should register at Robert Rundle School.

The orientation program at SAM will be held on June 19, 20, 23, 24 and 25. Students will attend for the full day on all days with the exception of June 25 when they will attend for the mornings only. During the afternoon a program is being planned for the parents.

The last day of school for present grade one students will be Wednesday, June 18. They will return, however, for their report cards on Friday, June 27 at 8:30 a.m.

Public hearing scheduled on bylaw amendment to create appeal board

A public hearing will be held during the council meeting on June 2 when St. Albert's zoning bylaw will be amended to include the Development Appeal Board, an impartial appointed body which will hear appeals regarding decisions of the development officer.

In the past council has heard these appeals, for example when the development officer denies a permit for the construction of a garage because it is against zoning regulations and the property owner wishes to appeal.

Town Administrator, Mr. R. L. Byron, explains that council sets the standards and conditions under which the residents of the community are permitted to construct such an improvement. "If they are setting those standards," Mr. Byron said, "it makes it very difficult for them to set aside their role as legislators in determining what those standards should be, and then allowing by way of an appeal, a deviation from those standards."

Mr. Byron said the board will have council representation on it along with two other members. Councillor Throndson is the council appointee to the development appeal board and the other two representatives would be drawn from the population of the town. The appointments would be reviewed each October.

The board will hear from the party appealing the decision against their particular development and consider the circumstances. The development officer would also be heard from and the proceedings will be handled on a quasi-judicial basis.

A decision of the Development Appeal Board is appealable to the Supreme Court of Alberta. In the Board's terms of reference in the bylaw, it is allowed to make minor variances from the zoning bylaw but not major variances which would defeat the purpose of the bylaw.

Council is not allowed to permit the permanent use of land which is not in agreement with the zoning bylaw. Under the bylaw, the board has the power to allow deviation from the zoning bylaw in certain cases but only on a conditional basis.

Mr. Byron points out that adequate notice will be given by the board that an appeal is taking place so that those in the area where the development is to take place will have adequate opportunity to make representation at the same time as the appellant.

There are about four appeals currently being held up and the date at which these will be heard is June 4.

board to finance the expansion of the T.V. Arts program to the tune of nearly 10,000 dollars. The board expressed some concern that a request for a substantial sum of money for the project had not been made prior to the budget.

Trustee Freeman moved that the matter be referred to the finance committee and the board establish a cut-off date for submissions for additional capital outlays. The date for this year was set as May 16.

sewer line

vantage to the region.

Mr. Stapleton quoted from the submission of the town of St. Albert made at the same public hearing - "in approving the project it was considered as a solution regionally rather than in a municipal sense, and this is evidenced by the fact that a policy has been established whereby anybody wishing to make use of the service may do so subject to the same levies and rates as are in existance for the residents of the town of St. Albert."

MORINVILLE IN BAD SITUATION

Mr. Stapleton said that he wished to see the matter carry on without a long and drawn out study because of the bad situation facing Morinville from a sewage angle. The decree of the department of environment states that no further development shall take place until this agreement is formulated. There is further hardship on the education system in Morinville, the mayor noted.

Mr. Stapleton pointed out that the areas where proposed new schools are to be built cannot be developed and registered (because of the decree of the department of environment) until an agreement is reached with the town of St. Albert on the sewage line interception.

SCHOOL NEEDS PRESSING

Mr. Norm Tretiak, superintendent of the Thibeault School Board, pointed out that the board's statement of need for a community core school has been approved in principle by the School Building Board, and that they desperately require the school. He explained that approval cannot be given until the sewage problem is resolved.

"The Thibeault Board is faced with an increase of about 100 students for September of 1975," Mr. Tretiak stated, "and this is due to the Forestland/Dixie development which is in the process of completing 125 homes." He explained that the existing facilities are housed in an old convent and are inadequate - do not include a gymnasium or other facilities. The E.C.S. and elementary students are housed currently in a building which is on the verge of being condemned, Mr. Tretiak explained.

With every day that the matter is postponed, he said, the board may be forced into a more costly construction program and the new school is the only solution to the education needs of the community. He felt that if the matter of the sewage was resolved immediately, a new school could commence construction in about two months.

"Barring an early solution to the sewage question," Mr. Tretiak said, "the board is faced with spending thousands of dollars in remodelling facilities which must eventually be abandoned anyway."

Mr. Tretiak asked the mayor and council of St. Albert to consider the situation facing the town of Morinville in light of recent problems faced in the town of St. Albert which forced the closure of schools due to sewage problems.

CONSULTANTS EXPLAIN SYSTEM PROBLEMS

Mr. M. Prosko and Mr. N. Nuttal of Stanley and Associates were asked to come forward to outline some of the problems involved in the interception of the sewer line.

Mr. Prosko stated that there are five elements to the sewer system. The first is the interceptor sewer which runs through town to the sewage pumping station (a design capacity of 124,000 equivalent population); second is the pumping station (with additional pumps could serve a population of 104,000); third is the forced main (serves a population of 55,000 and with twinning it could accommodate up to 110,000); fourth is the outfall main (equivalent population of 104,000); and fifth is the treatment facility (designed for 35,000 presently and with expansion could serve 105,000). Mr. Prosco said that when the time comes he feels that the treatment facility could serve more than that.

Mayor Plain noted that the immediate constraint on any short run use of the system is clearly the fact that the current capacity of the treatment facility is 35,000 people. He asked if there were any estimates on initial capital costs if it was decided to proceed with increasing the capacity. Mr. Prosko felt that the cost estimated would be in the neighbourhood of $800,000 but pointed out that there may be some economies which could be realized.

Mayor Plain asked if there have been any studies as to the regional implications. Mr. Prosco responded that no study had been made regarding the regional implication other than consideration of the region area immediately around St. Albert.

Coun. Lukay asked how much time would be taken by a study regarding the regional implications of the facility and Mr. Prosko replied that the study's duration would depend on the size of area to be included.

MORINVILLE NOT SEEKING FREE RIDE

Mayor Stapleton stated that he was not in a position to comment on the remarks made by the consultant engineer, but wished to make one point clear. He stressed that the community of Morinville was not looking for a free ride from St. Albert with regards to the sewage facility, and the community had all intentions of paying their share of costs and improvements. He noted that the matter would have to be reviewed on an annual basis with the increases in populations in both areas.

Mayor Stapleton was sure that if at any time a regional board was established there would be subsidization forthcoming from the provincial authorities. He noted that the agreement, if reached, between the town of St. Albert and Morinville would constitute the beginnings of a regional board.

Coun. Frank Lukay asked the approximate size of population which would be served in Morinville by such a interceptor line. Mayor Stapleton stated that the immediate needs (over the next three year period) would be for a population of about 5,000 people.

LONG TERM ASPECTS NEED EXAMINATION

Mayor Plain stated that he was in sympathy with the situation faced by the town of Morinville but he noted that there were considerations which the town of St. Albert would be needing before a decision could be made. He felt that the long term aspects had to be examined. Mayor Plain noted that St. Albert has a present commitment for a population of 27,400 through approved developments. He noted that the sharing basis would leave St. Albert with 11 to Morinville's 1 (based upon the population ratios). He said that there were a number of factors which would come to bear upon the decision to include other municipalities within the system.

Coun. Breadner noted that all implications had to be examined and the matter had not been given fair coverage by the news media. He felt that all parties need to sit and discuss the situation. He said that he was prepared to look favourably upon a regional agreement with greater implications than just the town of Morinville but discussions had *to be instituted.*

Both Coun. Throndson and Coun. Fyfe stated that they felt that there had been a commitment made which still stands.

Mayor Plain urged a meeting between the reeve of the MD of Sturgeon, the mayor of Morinville, the MLA and himself to work out the matter and discuss the implications.

A joint meeting was scheduled for today.

TOWN OF ST. ALBERT

Notice of Public Hearing

Please be advised that the Council of the Town of St. Albert proposes to pass Bylaw No. 12/75 being a bylaw to establish a Development Appeal Board.

The proposed Bylaw No. 12/75 may be examined between the hours of 9:00 a.m. to 4:30 p.m. weekdays at the Office of the Municipal Secretary in the Town Hall, St. Albert.

A public hearing on the proposed bylaw will be held in the Council Chambers, Town Hall Annex on Monday, June 2, 1975 at 7:45 p.m.

Written representations concerning the manner in which any provision of the proposed bylaw may affect him will be received by the Municipal Secretary until 12 noon on Friday, May 30, 1975. Persons wishing to make oral representation may do so by appearing at the public hearing.

ROBERT L. BYRON
MUNICIPAL SECRETARY.

Don't miss HMS Pinafore

Grade six students of Sir Alexander Mackenzie School will be staging a Gilbert and Sullivan operetta, H.M.S. Pinafore. Performances will take place on Wednesday and Thursday, May 14 and 15, beginning at 7:30 p.m.

The idea behind the school undertaking to produce the operetta originated with Mrs Sherry Belcourt. One hundred and twenty-two students are in the chorus and nine in lead parts. Auditions took place in February and practices have been held during lunch breaks ever since. Nearly all the teachers at SAM are involved in this first ever production for the school. Part of this production took part in the Edmonton Music Festival and scored marks of 87 per cent.$

Tickets for this fine operetta will be on sale at the Students' Union store at SAM School from Monday, May 5 to Tuesday, May 13. The cost of the tickets will be adults - $1, and students - 50 cents. The performances are limited to 400 people so those wishing to attend are advised to purchase tickets soon.

Sir William Gilbert and Sir Arthur Sullivan were both born in London, England, in the 19th century and they won fame in their 20-year association with their creation of the Gilbert and Sullivan comic operas. These include, Iolanthe, The Gondoliers, Pirates of Penzance, The Mikado and many others. The operettas poke fun at the establishment and at institutions of the period and in all of them, Sullivan's charming music and Gilbert's topsy turvy wit and humour combine to give delightful entertainment. This year is celebrated as a Centennial year for Gilbert and Sullivan.

Canadian content display provided

The Great Canadian Content Machine - Alberta Education's travelling display of Canadian resources will be in Edmonton Thursday and Friday, May 15 and 16. On May 15 it will be parked immediately west of the north entrance to the High Level Bridge, and on Friday will be on the grounds of the Legislative Building.

The 68 foot trailer was designed and fitted by Alberta Education to make Alberta teachers and public aware of the large amount of Canadian materials that are available for use in our schools.

"It's one of the ways to express our commitment to Canadian content in our schools," commented Dr. Merv Thornton, Associate Director of Curriculum.

Dr. Thornton explained that the selective display of Canadian resource materials in the trailer is designed to meet Canadian needs. Selections are written, edited or produced by a Canadian or landed immigrant with a Canadian point of view.

Designed around the theme "learning to live," the van features various alcoves that visually and verbally portray how children are encouraged to develop their potential to improve and enjoy the social and physical environment.

There will be an opportunity for visitors to examine books, pictures, films, filmstrips, tapes and kits during their visits. A small lounge area will be located in the rear of the van where a resource person will be on hand to answer any questions.

Alberta Education feels that the display will help make teachers and adults more aware of the importance of Canada, both in the past and the present.

"We sincerely hope people will visit the trailer and examine the kinds of resources available. We think they will be pleased with the quality of Canadian materials used in our schools."

The Great Canadian Content Machine" will be attached to the Candev Caravan of the Devonian Group of Calgary and will travel to over 50 communities in Alberta during 1975 and 1976.

The best way to lengthen your life is to shorten your worries.

Playgrounds needed

"Spring is sprung."
"The grass is ris . ."

I wonder how the playground is? Or would you believe - where it is?

I shudder every time my children ask to go. Please don't get me wrong! I am truly grateful that Lions and Kinsmen have equipped the park and tot lots in St. Albert. I'm not asking for a Mayfair playground on every corner. But couldn't we have something a little more modern and a little less lethal? The old traditional playground is restrictive in many ways. We need somethjing to challenge our children's imagination. Surely tired, log climbers, and pipes won't blow the budget. Just a bit of ingenuity and planning is needed.

"All it takes is community desire and involvement," states an article on "How to Create a Playground," in the May issue of Chatelaine magazine. It also provides an address where one can obtain slides, films and literature for ideas.

Am I the only one who feels this way about our community playgrounds? If this is your concern or if you are interested in the information from the Children-'s Environment Advisory Service please call me or Peg Mcpherson at 459-7847 - 459-7886.

JoAnn Symonds.
Ridgewood Terrace.

NATURAL BIRTH CONTROL

Having noted Dr. Toal's letter (Natural Birth Control, May 7th), we would like to make it known that instruction in the method of natural family planning mentioned by Dr. Toal, the Sympto-Thermal method, is available from SERENA, which is a family planning information and counselling service.

The Sympto-Thermal method combines the observation of symptoms and the recording of the daily basal body temperature in order to ascertain the fertile and infertile phases of the female cycle. Instruction in the method is given to individual couples or groups by trained teacher-couples.

More information may be obtained in St. Albert from Mr. and Mrs. Morrissette or from the SERENA office in Edmonton.

Both concerts will be recorded for future broadcast on CBC Radio — 740 in Edmonton.

Pedal Pusher program lacks parent support

A pedal pushers program is being sponsored by the St. Albert Safety Council in co-operation with the St. Albert Department of Parks and Recreation. The pedal pushers will be meeting on May 26, 28, 30 and June 2, 4 and 6 from 6:30 to 7:30 p.m.

This year the town is being divided into areas and parents in each area are running their own program. A total of 17 parents from the whole town attended an organizational meeting on May 7. Due to a lack of instructors, the number of children that can be accommodated will be limited. Two instructors are required for every 20 children and one bike checker to every 10 bicycles. Listed below you will find the areas served; the schools where the instruction will take place and the approximate number of children that can be accommodated at that particular school.

Registration for Pedal Pushers will be held on Thursday, May 15 at the schools listed below from 6:30 p.m. to 7:30 p.m. Registration will be on a "first come first serve" basis with no advance registration except in the cases where parents are acting as instructors. When the quota has been reached for each area, the names of the remaining children will be placed on a waiting list. If parents volunteer their services, children will be accommodated.

The cost of the program is 75¢ per child. Parents are urged to attend the registration with their children. No child will be accepted without the signature of his or her parents or guardian on the registration form which will be distributed to the schools.

Children from Grades 1 to 6 will be accepted. The child must be able to ride a bicycle without training wheels.

AREA	SCHOOL	NUMBER OF CHILDREN WHO CAN BE ACCOMMODATED AT THIS TIME
Grandin Park	Robert Rundle School	40 children
Lacombe Park and Mission Park	St. Albert High School	40 children
Forest Lawn & Akinsdale	Paul Kane High School	50 children
Sturgeon Heights	Vital Grandin School	80 children
Braeside	(Lorne Akins for Registration only)	40 children

PHONE 459-6509 FOR FURTHER INFORMATION

Young cyclist killed after collision with school bus

A young St. Albert cyclist was fatally injured last week after being in collision with a school bus.

Randolph de Kam, 10, of 12 Savoy Place was killed while riding his bicycle near house number two on Sycamore Avenue. Driver of the school bus was Shelagh Furber of St. Albert.

Following the accident the youngster was taken to the Sturgeon General Hospital but was pronounced dead on arrival.

At the time of the mishap the school bus was travelling in an eastbound direction. RCMP said this week that no decision had been made on an inquest. The collision occurred May 6 at 3:30 p.m.

BAD BEHAVIOUR ON SCHOOL BUSES

A report this week from St. Albert Separate School District #6 about some high school students breaking windshields from their school buses as they made their way home brought a strong comment from the local detachment of the RCMP.

A spokesman for the police said that firm steps must be taken to discipline the offenders and that "if they can't ride the bus properly, then they should find their own way to school."

The Rodeo is coming!

Members of the Kinsmen Club were out in strength early Saturday morning at the rodeo grounds. With only five weeks away from the St. Albert Club's big event - Rodeo 114 - the fellows are not procrastinating. A few nails hammered, a splash of paint, and a little elbow grease will soon make Rodeo 114 a reality.

Plans are well in hand for the Kinsmen Rodeo 114 Week with the kick-off on Sunday, June 8th to include the canoe races which proved so popular last year and various local bands and entertainers on the bandshell at Lions Park. Announcements will be forthcoming on some challenge contests such as coyote calling. The Kinsmen are again encouraging all local groups and organizations to take part in the Rodeo Week festivities, including the St. Albert on Sturgeon Players who are coming up with some appropriate melodrama which will be an interesting new feature this year.

Parade Chairman Tom Sentes reports that he already has some fine bands and floats lined up and Special Events Chairman Neil Stewart is busy getting it all together in his department.

Five pretty girls are in the running for Rodeo Queen and these young ladies will have an extremely busy week.

The beer fest at the arena will feature two bands with a great reputation for this type of entertainment - The Patch will be in for the 12th and 13th and on the Saturday, The Band of Sound - a rock group will bring back some of the big numbers from the 40's and 50's.

The Kinsmen will be raffling a 1975 GT Vega with draw scheduled for Sunday, June 15, along with other entertainment planned for the final day. Program numbers will see somebody win a fishing trip for two to Victoria Island via Deluxe Tours.

Reg Kessler will again be running the stock and the first Rodeo performance goes Saturday with the finals on Sunday. The midway will be in for three days, starting with Kiddies Day Friday.

Get the Rodeo mood - it can be catching!

from the Mayor's Office

REGIONAL DEVELOPMENT:
REGIONAL DEVELOPMENT: THE SANITARY TREATMENT AND DISTRIBUTION SYSTEM

The Town of St. Albert has constructed a multi-million dollar sewage and distribution system. This system was designed to serve the long-run needs of residents of St. Albert. It has been financed by the residents of St. Albert and it is controlled and owned by the ratepayers in the community. No other municipality in Alberta has made any financial contribution to this system, nor does any other municipality have any control over the system.

MORINVILLE HOOK-UP

The previous council made commitments in principle to allow the MD of Sturgeon and the Town of Morinville to hook-up to the system. Approximately one month ago the present council met with the Town of Morinville Council and discussed certain of the issues surrounding Morinville's desire to tie into the system. After careful deliberation the present council decided that approval should be withheld until a careful study had been carried out regarding the economic and engineering implications involved in operating the sewerage system as a regional utility, and careful enquiries had been made regarding the effect that additional increases in Morinville based traffic would have on the existing arterial systems connecting Edmonton and St. Albert. A request was made to E.R.P.C. to undertake certain of these studies for the municipality as quickly as possible, given Morinville's concerns regarding potential holdups in the development of the town.

During the past two weeks an annexation proposal formulated by Qualico, the developers of Akinsdale in St. Albert, was placed before the members of E.R.P.C. by the Town of Morinville. St. Albert voted in opposition to this annexation proposal in E.R.P.C. due to the fact that the sewerage facilities required to service the proposed annexation area were based upon a tie-in with the St. Albert system, which was not assured until the results of the above-noted studies were accepted by the St. Albert Town Council. This opposition invoked the displeasure of the Gazette who made this matter the subject of a front page editorial comment castigating the St. Albert Council.

On Monday, May 12th Morinville appeared in front of the committee of the whole and asked the committee to recommend to council that approval for the tie-in should be given without waiting for the studies. No motion to this effect was proposed by members of the committee.

As matters stand at the present time the mayor of Morinville, the MLA, the reeve of the MD of Sturgeon and the mayor of St. Albert are preparing to hold a meeting May 14th to request that special priority should be given by the Department of the Environment towards carrying out a study of the feasibility of establishing regional water and sewerage treatment and distribution systems. Information regarding the basis for establishing a regional utility system will also be requested. A special meeting with the mayors of Morinville, St. Albert and the Department of the Environment has also been set up.

It is suggested that while in the short run there has been some disagreement between the various municipalities and the MLA regarding certain issues that a mutual spirit of goodwill and co-operation has overcome these problems. All the members of the recent spirited discussions repeated by the various media are vigorously engaged in establishing the framework for a regional utility which will serve the long-run interests of all residents in the various communities directly north of the City of Edmonton. It is felt that the initiation of a regional utility system will be an important factor in moving all member municipalities closer towards formulating a meaningful long run regional plan which will guide and rationalize development in the area.

AROUND TOWN

The children of the Ridgewood Terrace Playschool have an 18-page "newspaper" just published under the title "Today's Child Tomorrow's Genius." The paper consists of pictures and bylines, with self portraits the favourite choice of the small people. A good many worked the sun in, and several showed definite preference for mod art. Teacher JoAnn Symonds reports they had a lot of fun doing it.

** ** **

The Alberta Fish and Game Association has announced the winners in their 1974-75 lottery and St. Albert came up with one winner. D. F. Mitchell of Burnham Avenue won a Outdoor World Arctic executive Parka. The current Topics, newsletter of the St. Albert Fish and Game, has an interesting article by Marcel Houle on the Game Cycle and the studies done by local zoologist, Professor William Rowan on the subject. Marcel concludes on a optomistic note for upland hunters, noting that we have crossed the "low threshold" and can look forward to better years on hunting in the near future.

Council discusses joint use matters with legal expert

Mr. M. Welsh, a lawyer retained by the Department of Education to examine joint use agreements across the province, appeared before the committee of the whole on Monday night to discuss the questions to be considered with respect to St. Albert's joint use agreement.

Mr. Welsh noted that he has reviewed over 50 joint use agreements currently in existance throughout the province. He pointed out that "a lot of times agreements have led the parties into difficulty by attempting to go into great detail."

Referring to a particular joint use agreement which exceeds 60 pages, Mr. Welsh warned that the minister of education may well demand that he review and approve all joint use agreements.

Mr. Welsh explained that another problem,if there is excessive detail,is the difficulty in getting the parties to sign an amendment. He said that what often occurs is that parties tend to worry about amendments as they crop up.

An agreement which Mr. Welsh thought was acceptable was described as a "3½ page agreement and all it does is set up working procedures between the signing powers, such as the separate school board, the public school board and the municipality."

"It does not spell out how they perform their functions," Mr. Welsh said, "it does not spell out when, it just says here is the committee - this is the job it is supposed to do - how they do it is up to them."

Mr. Welsh recommended that council not get into the "horrendous problem" of a difficult agreement which attempts to "spell out everything you are trying to do."

He advised that St. Albert set up the organization, the joint use committee, and note what they have to do and leave it at that. He said that by way of schedules, guidelines could be included. He stated that some agreements he had seen hamstring the committee.

Mr. Welsh reported that after approximately one year, a joint use agreement appears to be about two weeks away from approval by the Department of Education. He said that with the cabinet changes made since the provincial election the new officials and administrators had to be briefed on the paths followed to resolve joint use matters. He felt that no problem would occur regarding approval of the kind of joint use agreement he referred to.

OWNERSHIP OF LAND

Mr. Welsh noted that three proposals regarding the question of ownership of land are currently being examined by the Department of Education. He said that the proposal which was being favoured (and which would involve an amendment to the School Act) was that the town would lease the land to a school board, who would in turn lease the land to the government to construct the schools, and become actively involved in the administration of the land.

Mr. Welsh stated that under the school act it is not specifically spelled out that the school boards may lease land, and that section 91 may be amended to permit school boards to sublet land.

Another proposal was that the municipality grant the land to the school board, with an option to buy it back at a fixed cost, plus a certain amount of money (inflation factor) per year, once the land is no longer required for school purposes.

The third proposal, Mr. Welsh said, is not receiving that much favour from the Department of Education, which would have the municipality own all the land surrounding the school site. The land on which the school is actually constructed, the exterior dimensions of the school, would be owned by the school board. He noted that this leaves a tremendous problem in that the school would be an island.

QUESTIONS & COMMENTS

Mr. Welsh asked if any discussions had taken place between the town and the school boards in St. Albert regarding the ownership of land. Mayor Richard Plain noted that in discussions with District #3 the second alternative mentioned by Mr. Welsh had been the one which was favoured. This alternative had been arrived at given the existing regulations under the School Act.

Mr. Steve Sieben, chairman of District #3 Board, asked if all agreements would have to be approved by the Minister of Education. Mr. Welsh said that this appeared to be where the matter was leading, and a standardized agreement would be the model which the department would hope the school boards would consider. Mr. Welsh said he thought the minister would be asking for the right to approve all agreements, and would make this a matter of course by making grants contingent in some way on this approval. Mr. Welsh stated that he was not speaking for the minister.

Mr. Breadner explained that the joint use committee had been proposed to consist of two bodies - a political committee and a technical advisory committee - and asked Mr. Welsh to comment on this structure. Mr. Welsh said it could be acceptable, the critical point was to keep the actual agreement simple, and the two committee system could be effective so long as liaison was good. He cautioned that one committee or the other could strive to control the agreement.

Regarding inclusion of Parks and Recreation Board representation on the Joint Use Committee, Mr. Welsh felt that this representation should be there, and would lead to better and wider use of facilities.

Coun. Breadner asked what the role of Joint Use would be in town planning. Mr. Welsh said he felt that it was the town's duty to provide facilities while the school boards would provide the expertise. He noted that there could be a big role for joint use to play in town planning in terms of facilities.

Coun. Lukay asked for information regarding insurance (liability) and Coun. Breadner said that he felt that each party in the agreement should cover their own. Mr. Welsh noted that each party could carry its own insurance but in the case where liability or responsibility cannot be easily determined, the joint use committee could carry its own insurance.

Accent on Akins

By Carolyn Seitz

May 9 has come and gone and many a student has sore knees. That day was "Slave Day" at Lorne Akins. Martyrs were slaves and sadists bought them and the normal people watched. Needless to say, the majority of the students participated.

Masters had the right to have their slave do anything, as long as it neither harmed anyone or interrupted classes. Male slaves were seen running through the school in fancy and feminine frills. Some slaves must have carried at least 50 lbs. of books throughout the day. Others made new acquaintance with the staircase as they hobbled up it, nose to the dust. Races were staged between slaves, pushing things along the ground with their noses. I, myself, still have marshmallow stains and the distinct smell of dust [no offence to our custodial staff] hovering about my nose.

At the last Students' Union meeting the treasurer reported that we are still affluent. However, various bills will soon be staring us in the face. One will be that of the prom. The plans of a half-day trip on a Friday, and awards and dance on a Saturday night still hold. The decision to have the dance on a Saturday was the result of sad experience. Last year, the afternoon of the prom, attendance was lousy among the girls. We gather many were flooding the beauty parlors. Saturday evening, from 6 to 7, will be awards, exclusive to the grade nine's and their parents. Then after the parents leave, from 7:30 - 10:30 will be the dance, semi-formal, for grades seven, eight and nine, 'Power Glide,' the band we had most recently, will again play. I here entreat all students of Lorne Akins to pray to the Lord for Paul Kane's field and Power Glide's truck - this time.

The Drama Club is planning a production to be held soon, it is called, "The Ugly Duckling."

Yearbook sales have been held for the past two weeks. Club members are still hoping to sell more.

Other than this, nothing much has happened.

JUST GEARING up to give customers complete insurance coverage after their May 1st opening at the Grandin Shoppers Mall are [from left] Sylvia Fletcher, Diane Mazur, Karen Nielsen and manager of the new Dome Insurance office John Zits.

Nickerson PTA holding rummage sale

The Leo Nickerson PTA has been the only continuous Home and School Association in St. Albert for some years. Their first rummage sale was held in 1972 with the purpose of using the money to purchase equipment for the school which was not covered by the School Board budget. This year two listening centres have been purchased. The PTA is sponsoring its third annual rummage and bake sale on Thursday, May 15 from 7 - 9 p.m., in Nickerson School gym.

A three year federal grant for Outdoor Education was obtained in 1974 giving all Grade 6 students a chance to spend a week at a ranch camp in Sundre, Alberta along with teachers and a parent representative. The students are asked to earn a portion of their own fees and while at camp participate in such activities as riding, canoeing, swimming and hiking. They also study flora and fauna in the region which is incorporated in classroom studies.

The government grant covers the year 1975-76, but there is no indication that this grant will continue. The PTA would like to see the popular Outdoor Education program continue and hope to build a fund through the rummage sale proceeds for this purpose.

Congratulations

Echoes of Saigon's fall reach St. Albert school

The reverberations of the fall of large parts of South East Asia to the Communists recently will be felt for some time and they have reached St. Albert.

For some time the Sir George Simpson Junior High School has been supporting seven year old Thanh Phu Truong of Saigon under the with material and financial Foster Parents Plan of Canada. The monthly contribution from the school of $17 provided the boy's family assistance, as well as vitamins, blankets, towels, soap, medical and dental care.

Last week in the regular report from the Sir George Simpson school anxiety was expressed about the fate of Phu and a teacher at the school Dudley Newell in charge of the Foster Child program there said that nothing had been heard about the child since March when the situation in South East Asia began to notably deteriorate. Mr. Newell said that as soon as he is contacted by Foster Parents on any developments he will let the Gazette know all about it.

A number of things could happen with the money that is being sent to Vietnam. It is prepaid for one year. It could be redirected to another child; it could also be refunded. There is also the possibility that the new government in Saigon could intercept the money from Canada and refuse to let it go in. On the other hand they might let the money be used as designated till December.

There is no doubt that the donation from the Sir George Simpson school to the adopted child was vital for personal and family survival.

Phu was motherless, his mother Nguyen Thi Tuyet committed suicide September 4th last year. Her husband Truong Thanh Lap said that she had a great debt of 300,000 P ($450.70) at the time the father had no job. One of the mother's creditors - she had borrowed about $120 from her creditor - sued Thi and she was about to be tried before the court September 12, 1974.

She was very afraid and killed herself. When she was alive she sold fruit from place to place in her area. After she died, the creditors did not demand payment of the debts any longer.

Salaries in Saigon before the city fell were very low by North American standards. Phu's father drove a bus with a salary of about $45 a month. Before that he worked at an American office but lost that job December 1, 1973.

Phu had eight brothers and sisters, one of whom was a parachutist with a salary of just over $31 a month. Another brother was a painter with a salary of $6 a month. He lost that job and at last report earned 25 cents a day taking care of motorbikes in front of a public office. Phu's other two brothers, one learning to repair bicycles receives no salary but got six cents a day for breakfast, the other earned $4.51 a month by selling a kind of Chinese sauce. Phu's young sisters were attending school though one had to leave and do housework owing to contracting a skin disease.

The family used to live in their own house of corrugated metal, tile roof, cement floor and metal and plywood walls. It was 12' 5" x 18' 8".

Phu was attending the second class of a public school made possible by the donation from the Sir George Simpson school. One of his favourite subjects was citizenship duty.

While the situation in South East Asia is out of our hands anyone who wishes to help another destitute or needy child should contact - Foster Parents Plan of Canada, 153 St. Clair Avenue West, Suite 5.

Another St. Albert school, the Lorne Akins Junior High looks after an adopted child in a former trouble spot - Korea.

The Students' Union at that school is sponsoring a South Korean child in Seoul, 13 year old grade five student Choi Nam Kil.

Late Tuesday afternoon Mr. Newell told the Gazette that Foster Parent's Plan of Canada were negotiating with the new Government in Saigon to see if the donation to Phu and others might be kept up.

Students at Lorne Akins Junior High school had a fine afternoon on Friday, May 9 - Slaves were on sale - don't worry it was all in good fun. Prices ranged from $1 to $4 while the Gazette photographer was present but he can't remember how much the pair of legs at left brought.

JUST ANOTHER lost statistic of the war in South East Asia ? - adopted child Thanh Phu Truong of Saigon whose schooling and family were being looked after with a regular donation from the Sir George Simpson Junior High of St. Albert.

Open air church service

Members of the St. Albert United Church will be able to spend the long weekend May 16 - 19 camping out at Pigeon Lake provincial camp.

The usual 10 a.m., Sunday service has been cancelled and anyone who would normally have been in the congregation May 18 is invited to attend the camp Sunday for lunch at noon followed by an open air service.

Those who are able to go should bring their own lunch for noon and supper.

Memorial service held for Jack Bigg

A memorial service was held for former Member of Parliament, Frederick J. (Jack) Bigg in McDougall United Church in Edmonton on Friday, May 2.

Mr. Bigg suffered a heart attack on April 1 while holidaying in the United States and passed away in the San Luis Obispo, Calif. Hospital on April 17.

He was born on May 26, 1912 in Meskanaw, Sask., and attended Prince Albert Collegiate and the Faculty of Arts at the University of Saskatchewan in Saskatoon.

Mr. Bigg joined the RCMP in 1935 and in the same year played rugby with the Regina Roughriders. He joined the Royal Canadian Horse Artillery at the outbreak of war and went overseas with the first Division in 1939 as a Gunner. He served in England until the invasion of Normandy, then served in France, Belgium, Holland and Germany. He retired with the rank of Captain in 1947.

He rejoined the RCMP and served in Ottawa, Toronto, and Westlock where he attained the rank of Sergeant.

While a member of the RCMP he was selected for law training and received his law degree in 1953 from the University of Toronto.

In 1958 he retired from the force and was elected to the House of Commons as Conservative Member of Parliament for Athabasca. Upon redistribution he became the Member for the Pembina Constituency.

While in Ottawa he was Secretary of the International Prayer Breakfast Group and remained a member of the Prayer Breakfast Group in Edmonton.

Mr. Bigg retired from Parliament in 1972.

He was a member of the Royal Canadian Legion, life member of the Acacia Masonic Lodge in Winnipeg, member of the Alberta Historical Society, the Optimist Club of Ottawa, the Edmonton Stamp Club, and the McDougall United Church Men's Club.

He is survived by his loving wife, Gladys Grace (nee Jenner), three daughters, Phyllis, Mrs. Harold Borle of Morinville, Alberta, Pamela, Mrs. Donald Cole of Medley, Alberta, and Heather, Mrs. Ian Sutherland of Ottawa, Ontario; 10 grandchildren; three sisters, Phyllis, Mrs. Chris West of Vancouver, B.C., Winnifred, Mrs. Ken Munro of Garrick, Sask. and Helen, Mrs. Robin Coleman of Garrick, Sask., and two brothers, Walter of Edmonton, and Ted of Prince Albert, Sask.

Memorial tributes may be made to the Heart Fund.

JOB 28: VERSE 28
And unto man he said, Behold, the fear of the Lord, that is wisdom; and to depart from evil is understanding.

Guides honour Janet Kay

Family, friends and former guide and brownie leaders joined with 5th Guide Company, St. Albert, on April 21, to honour Janet Kay. Janet received the Canada Cord, Guiding's highest award.

The Canada Cord requires a guide to achieve knowledge in all the facets contained in the ideals for Guiding. She also must give 15 hours of service over a four month period to her community.

Mrs. Marian Kay, presented her daughter with the red and white cord and Janet's father Mr. Harold Kay presented the Canada Cord pin.

While coffee and cake were served, a skit spoofing a guide camp situation was performed by some guides of the company.

The evening was completed with a campfire of songs and games and taps.

Gone but not forgotten by his wife Maizie, daughter Gertrude and Craig, grandchildren Gary and Alerie, Randy and Doreen, and Wendy and Terry Turner, and six great grandchildren.

AGT GOOD NEWS PARTY LINE

DIRECTORY CORRECTION

The Sick Room Supplies telephone number as listed on Page 29 of the St. Albert Directory is continuing to give the WI women a lot of trouble. Because the number appears to be part of the Health Unit services, they keep getting calls for the Health Unit, and vice versa. Please mark your directory by underlining 459-6671 for all calls to the Health Unit. For sick room supplies call the numbers as shown at the bottom of "Services."

There will be a special RCMP Open House for school children **May 13, 14 and 15.** The Open House will be on all day and the location is the corner of Kingsway Avenue and 109 Street. There will also be an Open House for the general public May 14 - 15 from 1 p.m. to 8 p.m. at the same location.

Engineers' wives are invited to meet other engineers' wives at the last coffee party of this season. It will be held **May 14 at 8 p.m.** Anyone interested please call **458-2359** for further information.

The Community League will be putting on a dinner and evening of entertainment for the Senior Citizens on **May 27 at approximately 5:30 p.m., at the Recreation Centre.** Anyone wishing to attend is asked to purchase a ticket for $1.00 on Thursday afternoon, May 8, 15 or 22 at the Senior Citizen's Recreation Centre.

The annual Giant Rummage Sale by the Women's Committee of the Edmonton Symphony Society has been expanded this year to a "Spring Fair" which will be held **Wednesday, May 14 from 11 a.m. until 8 p.m. in the Sportex Building** at the Exhibition Grounds in Edmonton. A department store for a day will be well stocked with every type of merchandise for the family and household at great bargains. The Fair supports the Symphony particularly as it relates to youth concerts, school programs and scholarship awards.

Paul Kane Student's Union In Action Again

Once again the Students' Union of Paul Kane has come out after long hours of hard work and planning to give the students a schedule of proposed future events.

The first of their planned events was a Western Day, held on April 30. This day included participation of students by dressing appropriately for the pioneer era and moseying on over to take part in a square dance held in the gym at noon. Many varied costumes were worn, some in the traditional frontier or early-town look and others in the worn and faded jean look of cowboys or cowgirls. At high noon or thereabouts, the school folk gathered round in the gym, some taking a bird's eye view from the mezzanine while others were getting a close up on the main floor. With the guidance of two avid callers, a group of people began the first dance with a mass of confusion and lots of fun. As the time progressed and the inhabitions of being made a fool of disappeared, more and more people ventured out onto the floor to take a swing or two. With the generous alotment of a little extra dance time, most, if not all, ended up short winded but happy all the same. In fact, all those who participated had a good time. Even the audience had a great time pointing and snickering as mistakes were made, laughing at and with the participants. The cost was nil, and the rewards were fun and enjoyment.

The next proposal, is a spring dance being held at the arena on May 14. This dance features Teen Angel and will be held in conjunction with a Greaser Day.

** ** ** **

On May 21, Paul Kane Day coincides with our Track and Field Day. The Paul Kane Day has possibilities of featuring events such as a car rally, 10 speed bicycle races, powder-puff football, egg 'n' spoon races as well as a host of others. Here the combined effort should prove well worthwhile.

Within the past while, many people from Paul Kane have been training and competing in inter-school track and field. At present P.K. can be rated in the top five track and field teams in the Edmonton area, possibly second only to Scona High School.

The turnout of the annual Klondike Relays, held on April 12, was very successful. Our boy's team finished second to Scona with 102 points to their 132 points. The most prominent event of the day, proved to be a record set by four Paul Kane athletes. Bruce Pequin, Helgi Eyford, Barry Kane and Kevin McKendry set a new record in the 4 x 100 M.

In competition, all P.K., participants did extremely well but placed lower than Scona due to the size difference in teams. (Scona's team in comparison was three times as large).

Beginning on May 21, a track and field team will be picked. All positions for this team are open and anyone wishing to compete is advised to contact Mr. Resler or Mr. Nicholson. On May 27, the school team will go to Morinville for the Conference meet. The two top finishers of these teams will continue on to the Zone meet on June 7 at Sherwood Park. The two top finishers from this meet will venture on to Lloydminster for the Northern Alberta meet to choose the team to compete in Edmonton in the Provincial meet the following weekend.

In soccer this year, P.K. is in a city league against M. E. Lazerte, Archbishop MacDonald, Queen Elizabeth, and Ross Shepherd. In this league there will be two games played against each team.

In their first game against Queen Elizabeth, P.K. lost in a close 3-1 match. The coach commented that the team grows stronger and improves with each minute played and therefore should be a strong contender by the end of the season.

** ** ** **

The graduation committee of P.K. has worked very hard and gone through a lot in an effort to provide a really good graduation this year. The ceremonies are planned to take place at Paul Kane on May 24 followed by a dinner and dance at the Edmonton Inn. They have run the "chip store" on the side making money to cover the extra expenses. They have also run a survey on the possibility of having bar services at the grad by finding out the opinion of the parents and students on this matter. If the survey proves favourable, they will present their case to the school board in hopes they will agree.

Between social functions, the Students' Union goes behind closed doors to plan, calculate, propose and cancel in order to take advantage of the opportunities available and give the students more for their money. So with this effort exerted, I'd say hats off to them as well as the other hard working groups of Paul Kane.

Grade 4 students at Sir Alexander Mackenzie Elementary spent Friday afternoon probing the world of science during their Science Fair. There were some impressive displays in the rooms and many aspects of the world of science were on show.

Concerts in store for music lovers

Four concerts in the CBC Alberta Festival program, being held in Edmonton this month will feature outstanding Canadian musicians, and all three will provide an evening of fine entertainment.

The Canadian Brass will perform Saturday, May 17 in All Saints Anglican Cathedral, at 8:30 p.m.

Hugh Bancroft, an organist whose name is synonymous with excellence in the field of church music and teaching, will be featured in the second half of the program. He has been organist and choirmaster at the Cathedral for almost 20 years and is also a teacher in the Department of Music, University of Alberta.

The Canadian Brass is equally at ease with J. S. Bach's 'Contrapunctus IX or a medley of selections by the Beatles. Frederick Mills and Ronald Romm are on trumpets, Eugene Watts on trombone, Graeme Page on French Horn and Charles Daellenbach on tuba. All five are currently with the Hamilton Philharmonic, and all have impressive backgrounds with well known orchestras. Tickets for this concert are sold out.

Gisela Depkat, cellist will be heard at the Jubilee Auditorium on May 21, 8:30 p.m.

Gisela Depkat, Canadian cellist, will perform with the Edmonton Symphony Orchestra under the baton of renowned guest conductor Russell Stanger in the Jubilee Auditorium on May 21. Montreal music critic Eric McLean said of Miss Depkat, "She plays with remarkable accuracy and facility, shaping the musical phrases firmly and eloquently. Her tone is sweet and subtly coloured - an exceptionally gifted young musician." A composition by Mr. Stanger entitled "Buffoons" will be presented on the program.

Oscar Peterson, one of the world's leaders in the jazz medium will be heard in the Jubilee Auditorium on May 26 at 8:30 p.m. Born in Montreal Peterson has maintained his permanent home in Toronto over the years. His advanced school of contemporary music in Toronto has been the training ground for many important Canadian musicians. Mr. Peterson also took part in the jazz workshop held for the first time at the Banff Centre last year. Recent engagements have included a tour of Russia and a successful television series.

All three concerts will be broadcast later by CBC Radio, Peterson on June 19, Canadian Brass and Hugh Bancroft on October 3 and Gisela Depkat with the Edmonton Symphony Orchestra on a date to be announced. The final concert goes May 27 with the Edmonton Symphony under conductor Pierre Hetu with contralto Janice Taylor as guest artist.

Tickets for the last three concerts are available from McCauley Plaza box office, all Woodwards Stores ticket outlets, the CBC reception desk on 75 Street and at the door if there are still seats available. The Oscar Peterson tickets are going fast reports Mr. Perry Linttell of the CBC Alberta Festival.

Culture Committee discusses role

The St. Albert Cultural Committee met Thursday, May 1st, to discuss its role in this community.

Mrs. F. Lefebvre, chairwoman, outlined the accomplishments the group had achieved, the main one being the formation of the St. Albert Further Education Council.

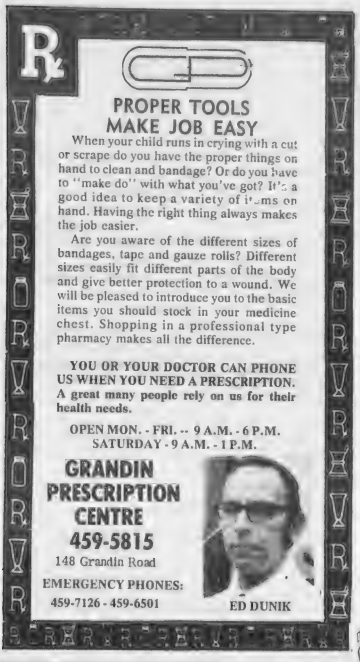

A letter of apology was read from Mr. Jon White in the Department of Culture, Youth and Wildlife. Due to departmental reorganization he was unable to organize a panel discussion scheduled for this meeting.

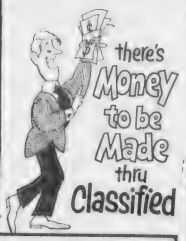

Mrs. Mayling, a member of CANU hoped the cultural group would serve as a link with her people. She expressed a deep interest in teaching Indian culture - the real thing, not a "bias written history that most people have been exposed to for years."

Mrs. Adams, president of the St. Albert Drama Club stated that her group would naturally like to have a theatre, however where were all these people that supported this idea at the recent user's meeting for the new recreation complex? Mrs. K. Mills representing the Parks and Recreation Board, stressed that "strength lies in numbers and organization." Unless a group has strength it won't impress governmental bodies. An interesting fact that came from the discussion was, when one thinks of a theatre people think of only drama. There are many more uses for a theatre. However it was felt that only when the people of St. Albert demand a theatre, will one be built.

Mr. Rauch, the guest speaker represented the secretary of state. He outlined the many things his department was involved in and gave details about the new Cultural centre just built in Stony Plain. He said that it was only by these people organizing and voicing their need that they were able to see their dream come true.

Mrs. F. Lefebvre ended the meeting by requesting people who were interested in this committee to contact her at 459-7030. She also felt that any ideas should be sent in writing to our MLA.

ST. ALBERT LIONS CLUB

LADY LION executive for 1975-76 at the Club Mocombo Monday night: from left front, first vice-president Kay Rutherford, president Marilyn Garlepy, from left rear: second vice-president Millie Boyd, treasurer Judy Simpson, Lion's president Bill Jones, secretary Ronnie Jeffrey and third vice-president Jean Neuman.

Lady Lions install officers

The new executive for 1975-76 of the St. Albert Lady Lions was installed at the regular meeting held Monday evening at Club Mocombo. Lion President Bill Jones was the installing officer.

Following the business meeting guest speaker Mr. Pope of the Cancer Society was introduced. He spoke first about different types of cancer and then showed a 15-minute film entitled "Smoking - it's your choice." After the film Mr. Pope answered many questions raised by the Lady Lions.

The club's final meeting for the season will take the form of a barbecue to be held at the home of Gerda Jorgenson on June 16. Special guests will be the husbands of the members.

The next executive meeting will be at the home of Elsie Snider on June 2 at eight o'clock.

Man to his landlord: "My apartment is so cold that every time I open the door the light goes on."

AROUND TOWN

Bob Carlson is really burning up the tennis courts and we understand he's looking for some tougher competition than the blonde he had Sunday.

Crowd enjoys Hospital Ball

Approximately 175 people at the sixth annual Spring Ball put on by the Ladies Auxiliary to the Sturgeon General Hospital heard a thought-provoking address by the Reverend Hart Cantelon which may have pricked the conscience of everyone in the audience.

Mr. Bob Arnold was master of ceremonies for the evening and apparently quite impressed with the head table, which he directed to the smorg table before calling on Dr. Tworek to say Grace. This change from the usual practice was handled with aplomb. Bob's jokes, quips and comments were much enjoyed by the crowd. Before calling on Mary Bondarevich he introduced the head table: John de Bruijn, chairman of the Hospital Board and Joyce de Bruijn; MLA Ernie Jamison and Shirley; Mayor Richard Plain and Margaret, Cliff Keyes, hospital administrator and Katie; Rev. Hart Cantelon, Mary Bondarevich, president of the Auxiliary and Nick; Dr. Ed Tworek and Mrs Tworek; Pauline Fleck, director of nursing and Jack, and Annette Arnold.

Introducing Mary Bondarevich, Mr. Arnold noted that the Auxiliary had raised $4,760 for the hospital last year. Mrs. Bondarevich welcomed everyone to the Ball and warmly thanked her conveners, Laurel Throndson and Loretta Cady, expressing her wish that everybody 'have a grand time.'

Mr. Arnold introduced Rev. Cantelon of the Pastoral Institute Central United Church and one time president of Alberta College. Referring to his counselling work Bob said it was about four years ago that Mr. Cantelon did counselling work through the medium of an Open Line show on radio station CJCA.

Speaking on 'The days of our years,' Mr. Cantelon said everyone in the western world should be asking the questions: What am I?. What do I cost? and Where am I going?

The women of the Auxiliary should be highly commended, he said - they have answered the first question. They are willing to share the burdens of the sick. I have watched them at the Dr. McGuggan Hospital - offering the elements of communion to slobbering lips. They know a human being is something very, very special.

A human being is worth more than $3.95 of calcium and iron which crumbles into dust. "Surely we were shocked as we watched the helicopters in Viet Nam - saw medics shuffle off bodies into a pit - bodies carried out and dumped into the sea. How we answer the question "What am I as a human being?" makes all the difference said the minister. "The scripture tells us we are the son of the Living God."

I am patient with children said Mr. Cantelon, but when kids say to me 'This is my life' - I get my back up and tell them we are here because of a great heritage. The suit you wear took 972 hands to make, your car took 952 hands, the filling station attendant is not fully paid - for he has given you a part of his life. Our days run out, he said - as for a dear friend this afternoon. If I could have given him one more hour, it would have been a gracious act - but I couldn't.

"Where are we going as people?" asked Mr. Cantelon, adding that he was not a doomsday profit, but a firm believer that we can live on a great deal less than what we are enjoying today. We can be content and share some of the burden of economic deprivation, for there is only so much food, energy and goods - and the western world takes so much! We don't need it he said - we don't need all the food we eat - and our bodies show it!

It is time we did something about it, said Rev. Cantelon, something about the willingness of people to have a standard of living this high here - when elsewhere people are dying in the streets. Life is not lost by dying, he went on, life is lost day by day in a thousand ways. We must try hard to pickup our lives not live in the past but in the realities of the present. We must support lives and care for God's children - in Russia, Viet Nam, Europe, Asia, Israel, Palestine - for this is God's world and we are his people."

After sincerely thanking Rev. Cantelon for his inspiring message, Mr. Arnold called upon Pauline Fleck and Katie Keyes who presented service awards to members of the Auxiliary.

The Baron Brass with Rick and Fran Schuchard took over on the bandstand and their lively music kept the dance floor at St. Albert Inn crowded to complete another successful Hospital Ball.

AROUND TOWN

Chester Cunningham dropped in at the Gazette office Monday and naturally enough the subject of baseball came up. Chester has been out to a Saint's practice and figures he could help out - "Id sure like to get back playing ball again. . ."

** ** **

Customers for trees, shrubs and bedding plants will find the energetic president of the St. Albert Senior Citizens busy handling sales. Lily Szuba offered her services when the Lions asked the Seniors if they would like to help out. I love to be outdoors said Lily and this job suits me fine. She sold about $340 worth of trees one day last week.

Sturgeon Lady Golfers anticipate good season

NEW SLATE of officers for the Sturgeon Valley Ladies Golf Club 1975-76 - from left back are: Handicap Chairman Betty Fehr, Assistant Sports Captain Helene Hodgins, Kay Carmichael, Treasurer; Marge Davis, social convenor and Bernice Cook, city representative. From left front are: Sports Captain Flora Burry, vice-president Yvonne Moir, Shirley Fisher, president and Gwen Cameron, secretary.

The Sturgeon Valley Ladies held their spring general meeting May 1 in the Grandin Clubhouse with 40 members present.

The executive gave an outline of this season's coming events followed by lunch served by the social convenor.

Eight members are presently participating in the Marshall Cup Camp.

Last Tuesday 25 members braved the unsettled weather on our opening day.

The club opening tournament is slated for May 24 at 4 p.m. City tournament in June.

The members are looking forward to the visitation days in July and August.

Also slated for this season is the High Handicap tournament, the Summer Games, various open tournaments at surrounding clubs.

The Sturgeon Club will be hosting the Marg Ward tournament August 6 and 7. This tournament attracts approximately 80 lady golfers.

The club championship is slated to start July 24.

Judging from the attendance at the general meeting and our first day of golf we foresee a membership of 50 members or more.

Tee times are 9 a.m. Tuesday and 6 p.m. Tuesday for business girls

For more information call Flora Burry - 459-8549 or Shirley Fisher - 459-8317.

Newcomers most welcome

St. Albert snooker player gets crack at Canadian title

By winning the Edmonton City Snooker Championships last week former Irish International snooker player Danny Lenahan of St. Albert gets a crack at the Canadian National Championships in Ottawa in October.

Last week May 7, 39 year old Danny took the City championship from Edmonton's Murray Manning with the result being 6-5 after a hard fought match going four hours.

According to one of Danny's friends the recreation pool hall on 101 Street was packed for the City championship snooker match. Winning the City championship gave Danny automatic entry into the National finals. Danny has just come to Canada from England, settling in St. Albert last September.

Last Sunday Danny was playing in the provincial championships against Brian Berlitz of Calgary. After 10 frames of that match he is losing to his opponent 6-4. This match has to be completed next Sunday in Calgary.

Danny makes no bones about the fact that he is in the contest for the prize money and has already pocketed $300 after winning the City championships.

Should he have a success against Berlitz in the game next weekend Danny stands to get another $500 for first prize or $300 for runner up.

Danny has been playing snooker for 20 years and when he was playing for Eire 1974-1975 he says he never lost a match for that country.

Midget plans proceed for exciting season of hockey - travel

About 30 St. Albert midget hockey players Monday indicated their interest in playing with next year's midget representative team, and have agreed to become involved in fund raising projects this summer.

The players expressed their desire to raise funds to rent ice during September at Morinville, in efforts to have a better opportunity of making the Sportshop Barons hockey club.

Coach Doug McConachie intends to give every interested player who contributes to the fund raising schemes four or five or more ice times (depending on the funds raised) before a team is selected.

In past years, all midget players turn out for one three hour skate, with the players basically expected to be picked from that one practice.

McConachie expressed his opinion it was difficult for players to show their best in just one practise, with upwards of 100 or more other hockey players on the ice at the same time.

SECOND MEETING CALLED

A second team meeting, which is also open to any interested eligible midget player living in St. Albert or the immediate district, has been called for 7 p.m. Friday, May 23.

The meeting will be held at the Grandin Community Hall, adjacent to the swimming pool. Interested players, plus their fathers, are being urged to attend the meeting.

The fathers will be asked to assist in the fund-raising projects and to supervise the projects. The interested players will likely be involved in car washes, ticket selling and other raffles.

McConachie announced the team had applied for entrance to the Central Alberta Hockey League, which includes teams from Fort Saskatchewan, Camrose, Wetaskiwin, Drayton Valley, Leduc, Stettler and Red Deer. It is expected the team will be given permission to play in the league.

WINNER TO RUSSIA

The team has also been told, by Alberta Amateur Hockey Association representative Don Dillon of Ponoka, it will be eligible for competition in the Wrigley Midget Championship this year.

The tournament includes a trip to Russia for the Canadian championship.

The provincial playdowns, to select an Alberta representative, will take place at Christmas, with the Canadian tournament to be held in Calgary in January.

The Barons are also proposing a 10-day tour in February to Quebec.

Kryskow hockey school set for August in Morinville

The Dave Kryskow hockey school will be held from August 11 to August 30 in Morinville. Dave, who is now with the Detroit Red Wings has instructed hockey schools in St. Paul and Edmonton the past two years with Ken Brown and Bruce MacGregor.

The school is sponsored by the Central Sturgeon Agricultural Society, and will have three - one week - sessions. Age limits are from 7 to 18 years with limited classes for personalized instruction. Boys must provide all their own equipment. Two hours of ice time per day, and the boys will be grouped according to age, size and ability.

Tuition fees are only $50. per session. This fee includes medical coverage for each boy per session.

Group lockers will also be supplied. All application forms and deposits must be in by June 1st, 1975.

Instructors are Dave Kryskow of the Detroit Red Wings, Yvon Bilodeau of the Dayton Gems and Greg Joly of Washington Capitals, plus other W.H.A. and N.H.L. players.

Support this worthwhile venture, as it is a wonderful experience for any youngster who enjoys the games.

Proceeds go to the Central Sturgeon Ag. Society to help pay for the new multi use facility.

★ ★ ST. ALBERT RECREATION REPORT ★ ★

PEDAL PUSHERS

An incredibly small number of parents attended the meeting held on Wednesday, May 7 to help organize the Pedal Pusher program which is being sponsored by the St. Albert Safety Council, in co-operation with the Department of Parks and Recreation.

There are over 3,000 St. Albert children in Grades 1 - 6. Not all of them own bicycles but it is reasonable to assume that the number is over 15. Yet only 15 parents turned out for the meeting on May 7 and parent participation is absolutely essential if the program is to serve its purpose.

Registration forms with an accompanying letter of explanation are being distributed to the schools and registration night is Thursday, May 15 from 6:30 - 7:30 p.m. Registrations will be accepted at Robert Rundle School from those in the Grandin Park district; at St. Albert High School from those living in Lacombe and Mission Parks; at Paul Kane High School from those in Forest Lawn; at Vital Grandin School from those in Sturgeon Heights and at Lorne Akins from children living in Braeside. Forms will be available at the time or be available at the time of registration but it should be noted that the signature of a parent or guardian is required and registrations will not be accepted at any other time. The cost is 75¢ per child.

The Pedal Pusher sessions will be held on May 26, 28, 30 and June 2, 4 and 6 and the number of children who will be allowed to register for the program will be limited to the number of volunteer instructors - two for every 20 children and one bike checker is required for every 10. Parents are therefore urged to come to the registration and volunteer their services. No experience is necessary - just a concern for the safety of the many young cyclists in town.

On Wednesday, May 21, an orientation session will be held in Vital Grandin School at 7:30 p.m., when material will be distributed to the instructors and they will be given a talk on the program, its importance and the best way to conduct it.

The Pedal Pushers program is not a babysitting service; safety is a serious business and a very few hours are required of volunteers' time. Parents, it's up to you.

SWIMMING

An advertisement in this issue announces the opening of the swimming pool on Saturday, May 17, (if everything goes according to plan) and the schedule which will be in operation till June 29. A second advertisement contains information about the instructional classes which will be held throughout the summer.

The July and August schedule will include two additional family swimming sessions and there will be recreational swimming every afternoon with lessons held in the mornings. Between the use of the pool by the schools under the terms of the Joint Use Agreement and the Red Cross lessons, recreational swimming is somewhat restricted till school is "out."

Many people will be interested to note the change in procedure for registering for instructional classes. From Tuesday, May 20, registrations will be accepted at the swimming pool from 3 - 7 p.m., Monday through Friday (excepting statutory holidays). Note that once in a program it is not possible to register in another session till the results of the current program are known. It is hoped that by adopting the continuous registration method the long line-ups of past year will be avoided. However, it should be pointed out that registration will still be on a first come, first serve basis.

The description of the classes and the pre-requisites for the different courses are included in the advertisement. Before registering, make sure of the age and other requirements. Make sure, too that holidays won't conflict - it won't be possible to transfer to another session if they do.

With the new things happening, it looks like an exciting summer at the pool this year. Next week's Gazette will tell more about the different programs - for instance, that King Neptune's Water Circus sounds interesting, doesn't it?

If you haven't applied for your season tickets yet, don't forget that you can apply for them any time. Family season tickets cost $36., adult $14.50, student (13 - 17 years) $12.00 and for a child (12 and under) $8.50. Wednesday, May 14 was the deadline for applying to be sure you had them for the opening on Saturday, May 17.

TENNIS

Juniors of 11 years and over and adults who missed out on the present session of tennis lessons, sponsored by the St. Albert Tennis Club, will be glad to know that another course of eight lessons will start on Wednesday, May 21 at the Mission Avenue courts.

Lessons will be held on Mondays, Wednesdays and Fridays, finishing on June 6. Classes will run from 4 - 4:45 p.m. and from 4:45 - 5:30 p.m., and, if there is sufficient interest, a class for adults will be held from 5:30 - 6:15 p.m. The cost is $8 for the eight lessons and registration will be limited to eight per class.

Laurie Newton, a certified tennis instructor, will instruct and he will accept registrations at the Mission Clubhouse on Friday, May 16 from 4 - 8 p.m., and on Tuesday, May 20 from 6:30 - 9 p.m. Participants will be expected to provide their own racquets and balls.

Mr. Newton, who recently took up duty as tennis supervisor and instructor, has indicated that there is a possibility of having lessons for younger children later in the summer. In the meantime, if 11 and over and interested in tennis, register at the times mentioned above and remember - first come, first served.

For the next few weeks, the times when the courts are free at both Mission Avenue and Sunset Boulevard are very irregular. If in doubt phone the Department of Recreation at 459-6601 to check before going to play.

BEAVERS

Parents with boys of five and over who are too young to join cubs, are reminded of the meeting which will be held on Thursday, May 22 in Grandin Clubhouse, (beside the swimming pool).

The meeting has been called so that interest in the Beavers can be assessed and the program possibly expanded. A "colony" was established last year in one district in town because of the support and enthusiasm of the parents involved. It is hoped that this enthusiasm will prove infectious and spread to other parts of town.

There will be a slide presentation at the meeting on the 22nd and parents will be able to hear what and who the Beavers are and how to start a colony.

FIELD HOCKEY

Exciting news for ladies of all ages interested in field hockey!

A clinic, sponsored by the Alberta Women's Field Hockey Association will be held at the playfield at Lorne Akins School on Tuesday, May 20 from 4 - 9 p.m. - with time out for a meal.

The instructor will be Mrs. Freda Walker, an experienced English Field hockey coach who will introduce the participants to the basic skills of field hockey, a game which is growing rapidly in popularity.

There is no charge and the clinic is open to everyone - so long as they're female! And there is neither a lower nor an upper age limit. So girls, don't miss this opportunity of learning about field hockey from an expert. A number of sticks will be available therefore lack of equipment should not deter anyone.

GOLDEYE LAKE CENTRE

Information about the Summer Youth program sponsored by the Rural Education and Development Association at Goldeye Lake Centre is available at the Department of Recreation in the Town Hall. The program consists of a teen camp (14 - 15 years) and a Co-op Youth Seminar (16 - 18 years).

Awards presented at hockey windup

April 19 marked a Saturday for the Morinville senior hockey club to gather for reasons other than a hockey game. This Saturday the club met with their wives and fans to wind-up the exciting 1974-75 season with a banquet and dance.

Following the supper master of ceremonies, O'Neil Chevalier commented on the club's successful year. Although they should have, but didn't, take home the cup they did finish top spot in the league and the feeling throughout the hall was a complete win next year.

O'Neil then called upon Paul Krauskopf to make presentations. Paul explained the trophies to be awarded were The Most Valuable Player of the season, the Most Gentlemanly Player, Top Scorer, the Most Valuable Player in playoffs and Rookie of the Year. He went on to say the winners of trophies not calculated by statistics were voted on by members of the team immediately before the banquet, the outcome was unknown to anyone prior to this moment.

ROOKIE AWARD

Ryan Park a newcomer to the club and very much an asset was appreciated by all his team mates since he won Rookie of the Year, Most Gentlemanly Player and Most Valuable Player of the season. Unfortunately Ryan was not present to accept the trophies, but everyone congratulates him for the extremely good year and hopes to have him back skating with us next year.

TOP SCORER

Fred Hesse was awarded Top Scorer of the team and he thanked all the guys who assisted him in scoring since their effort helped him in gathering those points.

MOST VALUABLE

Paul then presented O'Neil Chevalier with the Most Valuable Player of the playoffs. O'Neil thanked everyone for the trophy but wished he could have helped a bit more and have had our club drink champagne out of that cup - but next year!!!

O'Neil then presented appreciation awards from the team to manager Paul Krauskopf assistant manager Barney Barnett, equipment manager Bud Rockwell, timekeeper Richard Lepage, stick boy Danny Risby, collector at the door, Ubald Chevalier, and public relations officer Simonne Chevalier. He thanked all these people on behalf of the team for all the time and effort they put in to help the club run smoothly.

Trophies were also given to the coach Sid Pifko and assistant coach Roger Tourangeau with hopes both men would keep their positions next year, and from their replies it sounds favourable.

Another trophy on the table was in honor of "The Fan of the Year" - donated by Frontiersman Hotel. It was presented to none other than our "Number One" Tony Schafers. Tony challenged all other fans for this award saying he would love to see 200 fans at every game.

The final presentation was made by Rene Leduc, the league president. To Captain O'Neil Chevalier Rene presented the league trophy to the Morinville Senior Hockey Club and congratulated the team on their winning season.

The evening proceeded with an exciting boat race (the winners still undecided) then continued on with music and dancing, all of which, made for an extremely good wind-up hockey party.

Pool opens May 17

KEITH WALKER

Keith Walker, a fourth year physical education student at the U of A is the supervisor of the swimming pool for the 1975 season. Keith is a native of Saskatchewan and now living in Edmonton.

The pool will be opening (hopefully) on May 17 and to date Keith and other members of the pool staff have been planning programs, cleaning the tanks, and getting things straight for the opening.

The registration procedure will be changed this year - continuous registration will be followed rather than the two day registration. If co-operation is good, the system should work well. Details will be carried in the Recreation Report.

A new program of fun and games for children will be conducted every Saturday called King Neptune's Water Circus. This is for children only and will feature games, races and good times for the kids. Also, there will be advanced aquatics classes on Saturdays, split into two groups depending on age and qualifications. The programs will allow the students to do everything that they can in the pool pre and post bronze medallion. The advanced class will be a leadership development program teaching pool filtration systems, guarding and teaching techniques in anticipation that local swimmers can be prepared for assistance at the pool in future years.

Keith told the Gazette that the objectives of the pool this year include providing fun and recreation, a pleasant atmosphere, the development of new programs, and gear to the needs of the adult swimmers with the emphasis to also be on the younger swimmers. Many of the programs of last year will be retained.

The schools will still be using the pool, from the first day that the pool opens until school is out in late June. Lessons will be in the afternoon, recreation swim hours will be the same as last year, and the early morning public swim will be held again this year.

Keith has been involved with aquatics and instruction for over seven years. He is a national life guard instructor and experienced in advanced first aid and emergency instruction. Keith is also an authorized life saving examiner, chairman of the provincial Royal Life Saving Society Cardio-Pulmonary Resuscitation. He explains that cardio-pulmonary resuscitation is a heart-lung massage technique which will be taught to all the staff of the pool this year.

Keith reports that he has a tremendous staff working with him at the pool this year. The level of experience varies in the staff but Keith feels that they should all work out well.

Larry Wilson, assistant supervisor, has worked for the City of Calgary as an instructor and guard in their aquatics program. He also has background in the mechanical aspects of pool operations.

Peter Odinga, lifeguard and instructor, worked at the St. Albert pool last year.

Leona Merkosky, lifeguard and instructor, has been instructor at Confederation Pool in Edmonton in past years.

Christina Rajotte, lifeguard and instructor, worked at the St. Albert pool last year.

Pam Woodside, lifeguard and instructor, worked at Confederation Pool and is an experienced spring board instructor.

George Ward, lifeguard and instructor, has a fair amount of experience both in teaching and pool administration. He recently worked with the aquatics program in Ponoka.

All members of the staff are currently going through pre-service training to refresh knowledge of techniques and procedures in all areas they will be responsible for at St. Albert Pool this year.

Former students of Diligence enjoy reunion

A group of former students [classes 1 to 8, 1915 - 1925] of the Diligence School held a school reunion at the Lema residence in St. Albert last week. The group had a great time recalling school days and catching up on the news.

A wine and cheese party was held at the home of Juliette Lema in St. Albert on Friday, May 9. The occasion was a reunion of students from grades 1 to 8, 1915 to 1925, from the Diligence School (five miles east of Legal). About 15 of the original pupils were able to attend.

War songs, such as the 'Marseilles' and 'Le Madelon,' were remembered and sung by all. Jeannette Sylvester did a fine job at the piano and voices were lifted in song.

Mrs. Lema noted how nice it was to see old friends and school pals reunited after so many years. Present were Jeannette Sylvester, Cecile Martineau, Lorette Rinest, Georgette Berube, Alexina Demers, William Demers, Jeanne St. Arnaud, George Montpetit, Paul Montpetit, Octave Prefontaine, Fred Henri, Maria Cyr, Roger Cyr, and Juliette Lema. Some of the students were accompanied by their wives or husbands.

The group noted that it was good to see friends and aquaintances and to have memories revived after many years. Everyone had an enjoyable time and is looking forward to the next Diligence School Reunion.

IT REALLY MUST BE SUMMER. This large flock of Canada geese think so anyhow as they wend their way north. They were caught just east of Morinville last week by a roving Gazette photographer.

Province wide rapeseed yield contest

To focus attention on the need for increasing rapeseed yields to meet requirements of the domestic crushing industry and the export market, the Alberta Rapeseed Growers' Association is offering a top prize of a trip for two to Japan in a province-wide "Top Rapeseed Yield" contest.

The contest announced by ARGA President Walter Van de Walle is open to all Alberta rapeseed producers and offers four other major prizes in addition to the trip to Japan. It will be run in conjunction with the "Treflan Rapeyield 30" program.

The producers with highest per-acre yield in each of six regions will be eligible for a draw to determine the winner of the trip for two to Japan. The remaining four regional winners can choose between a well-known high quality watch or a shotgun.

Details needed to enter article and rapeseed or to purchase acid rapeseed under contract are eligible.

Further details as to qualifying requirements may be obtained from local elevator agents or from directors of the Alberta Rapeseed Growers' Association.

Legal couple celebrate silver wedding

Some 250 friends and relatives gathered at the Legal Community Hall on April 25 to celebrate the 35th wedding anniversary of Mr. and Mrs. Pat Charrois of Legal.

A mass was held at the Legal Church at 7:30 where Mr. and Mrs. Pat Charrois renewed their marriage vows and exchanged wedding rings. They were accompanied by their original bridesmaid Mrs. Alexandra Dalton who was escorted by Len Sloat and by their original best man Mr. Andy Boutin who was escorted by his wife Ruby.

Following this a dance was held at the Legal Community Hall featuring the Satellites from Clyde. The couple were presented a purse on behalf of everyone there by m.c Philippe Gaudin. A buffet supper was served at midnight.

Out of town guests were from Calgary, High Prairie, Joussard, Slave Lake and Spruce Grove, Picardville, and New Sarepta.

Charolais win Edmonton Carcass Show

Charolais-cross steers swept the carcass competitions at the Western Canadian Stock Show recently held in Edmonton. Charolais captured both Grand Champion and Reserve Grand Champion and held seven of the top eight placings. Mr. Henry Lusson of Clyde, Alberta, exhibited the Grand Champion Carcass and Mr. E. W. Coates of Calgary, Alberta, the Reserve Grand Champion Carcass. These exhibitors received $500 and $250 respectively as special prize money from Mr. Bill Hunt President of the Canadian Charolais Association. The Canadian Charolais Association is offering special prize money at various exhibitions throughout Canada with the hope of increasing interest at these shows.

Pembina MP reports

By Peter Elzinga
MP for Pembina

The Commons spent considerable time last week in committee study of the Petroleum Administration Act (Bill C-32), but there was no sign of compromise by the government which would end Conservative filibustering on the legislation. The Bill would give Ottawa the power to set oil and natural gas prices if it is unable to reach agreement with producing provinces. It also would formalize the $8.50 export tax on oil shipped to the U.S. as well as the fuel subsidization scheme in Eastern Canada. The Trudeau government and the producing provinces are seeking an increase of unspecified size in the $6.50-a-barrel national base price for oil, but the measure thus far has been blocked by Ontario.

An independent committee that spent 18 months studying the operations of Canada's "watchdog" on government spending has concluded that the Auditor General needs more teeth. In a 162-page report tabled in Parliament, the three-member committee concludes that the Auditor General needs more power to investigate spending extravagance and public service bungling.

The report says that Auditor General J. J. Macdonell should have clear authority to tell Parliament of any government spending practices that he believes are inefficient or wasteful.

The committee believes the Auditor General should be able to look at the books of Crown corporations and be empowered to issue special reports in addition to his annual report to Parliament.

The day after the report was made public, Mr. Macdonell told a Commons committee that he faces "an extremely difficult" task in exposing spending waste without passing judgment on politically-inspired government policies and programs. The committee report, meanwhile, took twice as long to complete as originally expected and ran $77,000 over its original budget.

It was with deep regret that we noted Mr. Jack Bigg's death. The former M.P. for Pembina was an excellent parliamentarian and a good friend. I am sure that the residents of Pembina are deeply saddened by his passing.

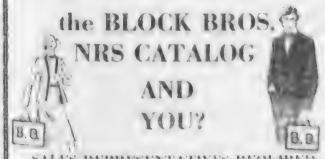

CFA resolution calls for more 4H Club support

A resolution adopted at the Canadian Federation of Agriculture's annual meeting in Ottawa recently called for support of the 4H movement with greater emphasis to be placed on visits to farms to acquaint 4H members with the problems and advantages of present day food production and marketing.

The resolution pointed out that the 4H Club Program in Canada has done much toward the development of leadership qualities among rural youth.

And because the CFA recognized the need among both 4H club members and leaders for greater awareness of the practical problems involved in food production, also that agriculture in all its aspects must occupy a central place in the 4H club program, the resolution was supported in its entirety.

Gibbons News

By Shirley Steinwand

The Sunday School Circle entertained at a bridal shower on May 6 at the Sunday School. Guest of honour was Mrs. Derek Mitchell (the former Helen Rigney). Seated at the bride's table were her mother, Mrs. Margaret Rigney, her maternal grandmother, Mrs. Lillian Potter; the groom's mother, Mrs. Thelma Mitchell and his maternal grandmother, Mrs. Lois Brooks of Amherst, Nova Scotia.

Assisting the bride were her sister, Jackie Rigney and Debbie Mitchell, the groom's sister.

Guests, numbering 60, were greeted by Eileen Sterton on behalf of the Sunday School Circle - she thanked them all for attending. Helen received many lovely and useful gifts from friends and relatives in attendance. Several who were unable to attend also sent gifts.

As the gift opening progressed, a line was made with the ribbons off the gift parcels. Along this line was passed the bride's ring for everyone to see. Helen graciously thanked everyone for their gifts. She especially thanked Della Gibbons for a beautifully decorated bride's cake.

Helen and Derek will be making their home in the village, and she extended an invitation to visit them.

The Sunday School Circle served a delicious lunch to bring the evening to a close.

A 30 cup coffee maker belonging to the Sunday School is missing. If anyone knows its whereabouts, we would appreciate having it returned, please.

THE LAST ROUND-UP

The Last Round-Up (Gibbons Senior Citizens) held a regular meeting on May 8 in the Legion Hut. There was a small attendance of only 21 members. There was one visitor, Edith Carleton's sister, Mrs. Connie Metcalfe from Valleyview.

Marjolaine Chamberland is again co-ordinator for senior citizens summer activities. She is hoping to have a bus tour from Edmonton to Swift Current and Saskatoon, Saskatchewan. Returning by the Cypress Hills and Badlands in Southern Alberta and back to Edmonton.

Hopefully it will be the last week in June if enough interest is shown. Applications must be made by May 31. She asked if our group was interested in any one day trips. They can be arranged through the Sturgeon Recreation office, Morinville. There were two letters. One from Marjolaine notifying us that the pictures taken by Neil Parker will be shown at Morinville on Tuesday, May 13 at 8 p.m. in the Recreation Auditorium.

The other was from Doreen Minchau, secretary of Sturgeon River Agricultural Society. This informed us of the 1975 Spring Fair to be held June 7 and 8 in the Gibbons arena. She enclosed a list of categories for handicrafts and culinary arts. Deadline for entries is May 30. Entries must be taken to the Gibbons Arena Friday evening, June 6 or before 10 a.m., on Saturday morning. All entries must be removed before 10 p.m., Sunday evening.

Lists for handicrafts and culinary arts will be available in Gibbons soon. Watch for announcement.

There were a few hands of whist played.

Our lunch was a little different than usual.

Thanks to Eula for a delicious chili and cabbage salad.

ACW

The ACW will sponsor a blanket and cash bingo to be held on Tuesday, May 20 at 8 p.m., at the Gibbons Community Hall. Tickets are $2 and will be available at various business establishments. There will be a door prize for advance ticket sales.

The East Sturgeon Agricultural Society will be holding a raffle on two Edmonton Eskimo Season's tickets. Draw to be made at the Spring Fair on June 8th.

Ongoing effort for better Gibbons water

The on-going fight to get potable water in the Village of Gibbons at a reasonable price took a new twist last week.

A village council initiated petition with 632 signatures representing about 84 per cent of the village's 761 people was taken down to the Minister of the Environment Dave Russell May 5 to spur government action on better water treatment facilities at Gibbons.

The delegation was headed by Deputy Mayor Hannelore van Noord and Secretary-Treasurer Maisie Metrunec.

With the spring run off colouring the Sturgeon River again, Mrs. van Noord said that she told a representative of the minister who had been held up in Calgary that there were two babies in hospital with skin allergies which could be directly traced to the water problem.

Mrs. van Noord added that she was still ready to go back to the minister May 12 but she expects that this move will be held down as the village has just received word from the provincial government that it is prepared to take "drastic" action to relieve the village's problem.

However if action from the government is not forthcoming then Mrs. van Noord expects that a couple of bus loads of villagers will march on the Legislature in the not too distant future to press their claims.

The Department of the Environment has been drilling for water wells over the winter so that the village could go on a new water supply, but the drillings did not turn up with any luck.

From another point of view it is also vital that Gibbons gets a reasonable treatment system for its potable water. There's a steady stream of people moving into the new subdivision at the south end of the village. They've been coming since last fall and if the subdivision fills, Gibbons' population could more than double.

And the new people will want good water.

Mayor "Snip" Loblick of Gibbons said this week that the village doesn't need (to start with) the vast outlay of $1.3 million on the treatment system and that the village would settle for $700,000.

The mayor is optimistic that there'll soon be results following recent action by the village and the promise from the Government to do something drastic about the water treatment system. He would like to see this upgraded or replaced with something new.

If the march on the Legislature had taken place May 12, Mayor Loblock said that he would have been on it.

But looking on the bright side, Gibbons potable water problem might soon be over.

New Gibbons post office

When the new village of Gibbons Post Office comes into service some time in June (according to a reliable source), it will be the third time in 22 years that village residents have had to switch the point where they pickup or drop their mail.

Postmistress Hazel MacLean took over the first post office in 1953 when it was nothing more than a 7' x 16' lean-to on the MacLean Brothers Store on Main Street.

The present post office facility is at 5019 - 50th Street and has been there since 1961.

When the new post office opens sometime in June at lots 5036, 5040 on 49th Street and 51st Avenue, there'll be more public lobby space and more mail boxes for village residents.

The new office will be 42 feet square and for Mrs. MacLean it will make one big change. She'll have to walk to work.

At the moment work and housework are in the same building.

Shrapnel from Flanders Fields to Gibbons

EIGHTY-FIVE YEAR OLD HARVEY MacLEAN of Gibbons still keeps a tight hold on these very personal and minute relics of the First World War - several pieces of shrapnel from over 50 which were extricated from his body after seeing action in the trenches in Holland and Belgium.

By Jim McIntyre

The Village of Gibbons is not the place you would expect to find shrapnel from Flanders Fields of First World War fame.

But some has found its way there from the six thousand mile distant battle fields of 1914 - 18, termed the war to save civilization.

Eighty-five year old pioneer, warrior and fisherman from Prince Edward Island Harvey MacLean has kept several minute pieces of German shrapnel in a locket as a reminder of the days when he was with the 49th Canadian infantry, deep in the trenches of Holland and Belgium. And Mr. MacLean has good cause to remember that war of 60 years ago, as the left side of his body all the way down from the hips was blasted by 51 pieces of shrapnel. He recalls that he walked one and a half miles for help after being hit, not feeling a thing as his body was numb. But after he lay down with fatigue in the shell shocked landscape, he was unable to rise again. It was four days later when Mr. MacLean heard the reassuring voice of a doctor telling him that all was well and that he had been unconscious for a number of days.

Now, the battle scarred warrior, who gamely gets about the house, part of which is the Gibbons Post Office, run by his wife Hazel still has time for a chuckle or two and says that he doesn't really give a hoot about the four medals he received during the First World War.

He says that many soldiers could have even had the Victoria Cross if their minds had seized the constant opportunities there were for outstanding bravery. "I knew many men who could have won a VC," grinned Mr. MacLean at home in the peaceful Village of Gibbons.

Mr. MacLean isn't frightened to show off his old battle scars, or the relics of the shrapnel which had been lodged in his own body.

He even recalls the day when he removed a piece of the shrapnel himself from a 20 year old running sore in his ankle. He was putting on one of his stockings and felt something sharp pulling at the material. He knew it was shrapnel and immediately took a pair of pliers to it twisting it out of the ankle.

But there's more to life than just reminiscing about shrapnel and Mr. MacLean has plenty of other memories to keep him happy as well as his hobby of collecting bottles in various shapes and sizes.

He was used to the tough life long before he joined the armed forces and remembers deep sea fishing back in P.E.I. which wasn't far away from the farm where he was born in the Gulf of St. Lawrence.

Mr. MacLean recalls that he came out to Gibbons in 1909 where he did some homesteading one and a half miles north of the village before going into Edmonton himself to work for a city ice and coal company for two years. Mr. MacLean said that up to 100 tons of the freezing stuff would be stored in his ice house over the winter and then delivered to clients in the city by horse and buggy during the hot summer.

There were only two cars in Edmonton that time and one of them was steam driven - a "Stanley Steamer" owned by a "guy across from the Queen's Hotel."

When Mr. MacLean went back on the farm north of Gibbons there was always the problem of getting back to Edmonton (population 20,000 and friendly). He recalls that the roads weren't all good, there was a piece from Namao Avenue and a few trails, but you always had to take an axe with you on the journey. That was to build bridges. The round trip from Gibbons to Edmonton took two days, now a matter of less than an hour.

Sometimes the trip took longer than two days, recalls Mr. MacLean but that wasn't because the distance increased any. Some guys used to fool around, get drunk and "once in a while I lost a day or so myself," he added.

He mentioned the Metis and Indians in the area singling out the Metis settlement at Coronado. He described the native people as fine but they had ways that the whiteman could not understand." Once they had enough money in their pockets from work, they would not see the sense in working more and would be off for a few days to spend it.

They were great guys on the threshing machines said Mr. MacLean referring to the Metis and Indians who helped him on the farm.

He said one Metis stuck out in his mind as a really fine person and he believed his name was Frank Bard. His wife, he said, died in the Hospital three years ago. Mr. MacLean said that he had married twice - his first wife Hazel Wilson of Horse Hills passing away, early on.

By 1953 he had married again and he and his wife, also Hazel took work at the first Gibbons Post Office, a lean - to on a store on Main Street.

Mr. MacLean still remembers the old days with affection and even though he claims to be bullet proof after his experiences in the trenches he knows that his health wouldn't stand up to the rigours of the pioneer days. There were days when travelling to Edmonton from Gibbons was "damn cold."

Now he still gets about in his car and because of his age has to take his driver's examination, once a year.

One thing's for sure, no one will ever see the old pioneer taking the hard way to the easy invention.

RELAXING AT home, but still active, First World War veteran and local pioneer, 85 year old Harvey MacLean of Gibbons.

Legal seniors enjoy birthday do

By Lucienne Montpetit

The members of the Club 60 Roses are active and they really put their clubhouse to good use.

On April 30 they had a birthday party for all those who were born in April. All the members were invited to attend the social evening. Everyone had a good time visiting and playing cards. Mrs. Lucia Montpetit won the door prize. All those with birthdays were seated at the head table, a large birthday cake centred the table with one candle representing each member, totalling 16 candles. April being the month that had the most birthdays. Everyone joined in to sing Happy Birthday to Father Bissonnette, Jeanne Maurier Gabriel Tieulie, Diana Schaffers, Louela Champagne, Maria Laframbroise, Jeanne de Champlain, Allan Keane, Benoit and Germaine Gagne, Edouard and Jeanne Lutz, Juliette Lema, Pearl Lafontaine, Lily Lamarche and Emilie Beaulieu.

The 60 persons present concluded their evening with a lunch and enjoyed a delicious piece of birthday cake.

The "Birthday get Togethers" will be held the last Wednesday of every month with those having birthdays as the honoured guests. The next party will be held on May 28.

Report From Bon Accord

By Sadie Allen

The Bon Accord Tops Club will meet in the school at 7:30 p.m., on Wednesdays from now on. New members are welcome.

Twenty-two members of the Bon Accord Senior Citizens enjoyed an evening of whist and bingo as guests of the Morinville Rendezvous club in their clubroom at Morinville on May 9. Following the games a delicious lunch was served. Thanks are extended to all members of the Morinville Senior Citizens Club from Bon Accord members for a most enjoyable outing.

The Bon Accord Ag Society and the Bon Accord Tiny Tots will hold a plant and bake sale in the Bon Accord Community Centre on Saturday, May 24 from 2 to 5 p.m. Plants will include house plants, perennials, bedding out plants - (vegetable and flowers). Anyone wishing to donate anything to these worthy causes may leave them at Lois O'Brien's, phone 921-3946.

A reminder of the play-school meeting coming up on May 22 at the Bon Accord Community Centre - registration at 7:30 p.m., and a guest speaker along with Jean Smith from Sturgeon Regional Rec at 8.

Birthday greetings are extended to Mrs. Margaret Hewitt on the occasion of her 71st on May 15.

Bon Accord ladies softball league gets underway on Tuesday, May 20 with a game at Horse Hills and a home game against Lamont on Thursday, May 22. Senior baseball is scheduled for Sunday, May 25 with Rochester at Bon Accord and Bon Accord at Legal on Wednesday, May 28. Anyone interested in playing senior ball may contact Hugh Allen, 921-3541.

The bingo jackpot has not been won and will be $250 and 58 numbers on Sunday, May 18 at the Bon Accord Community Centre. Starting time - 7:30 sharp.

SPECIAL MEETING MAY 21

A special notice to Bon Accord residents - please make a special effort to attend a Board of Trade meeting which will be held in the Bon Accord Community Centre on Wednesday, May 21 at 8 p.m. - topic for discussion is the Beautification of Main Street - Alberta Program. Pass the word around to a neighbour.

4H FOOD CLUB ACHIEVEMENT DAY

The Bon Accord 4H Food Club held their Achievement Day in the community centre on Saturday, May 10. Each club member received a gift from the leaders for Unit 1: - a cookbook "Dishes Children Love," for Unit 2 - coffee spoons; for Unit 3, a cookbook - "Recipes for Young Adults," as well as a membership certificate for framing to which gold stickers may be applied for each subsequent year as a 4H member, from the Dept. of Recreation, Parks and Wildlife. New members were presented with pins and plaques. A special thank you is extended to plaque donors - P & R (Pearce and Rivet) Farms; Dodds and Sons Esso; Ace Tool Supply Ltd., Bon Accord Agencies, Marie's Cafe, Lyle and Helen McKenzie; Norm's Oilfield Welding and Wes Carleton. The girls presented gifts of appreciation to the leaders - apothecary jars of candy topped with an arrangement of artificial flowers to Mrs. Pat Reynolds and Mrs. Helen McKenzie, a bouquet of artificial flowers to Mrs. Ethel Samis and a potted plant to Mrs. Edith Kowalski. The following awards were made: Unit 1 - Best Display - Connie Kreway with honourable mention to Donald Strawson; Best Recipe Box - Karen Almquist; Best Project Book - Connie Kreway; Camp Delegate, Susan Abramski, alternate, Stacey Antoniuk. For unit 2, Nikki McKenzie copped off all three awards with honorable mention going to Debbie Kulay for Best Display. Camp delegate is Valerie Millwood, alternate Debbie Kulay. For unit 3, Best Display went to Tami Kowalski with honourable mention to both Karen Robinson and Carmen Carleton, Best Recipe Book - Karen Robinson and Best Project Book to Carmen Carleton. Camp delegate - Tami Kowalsi, alternate, Bev Hewitt. 4H Club Week delegate - Kim Reynolds; Conservation Camp delegate - Lori Kulay. The overall total point award for the whole club went to Carmen Carleton. This was a 12 inch silver tray donated by the Royal Bank. A special thank you is extended to her assistants by club leader - Edith Kowalski.

Cailliou - Strawson Wedding

By Sadie Allen

The wedding of Roland Eduoard Cailliou and Fay Lorraine Strawson took place on Saturday, May 3, at 3 p.m., in Holy Trinity Anglican Church, Bon Accord. The groom is the son of Mr. and Mrs. Andre Cailliou of Enchant, Alberta. The double ring ceremony was performed by the Reverend Tom McKnight, assisted by Father Colin Levangie.

For her wedding, the bride chose a tiered lace gown with an empire waistline and short puffed sleeves. Her veil, a family heirloom, was held in place by a pearl-trimmed lace headpiece. She wore a silver cross necklet, a gift from her godmother. Her colonial bouquet was of red sweetheart roses and baby's breath. The bride was radiant as she entered the church on her father's arm.

The bridesmaids, friends of the bride, were Kathy Marak and Chris Joslyn. Their gowns were of lime green with white trim and they carried bouquets of white daisies with matching arrangements for their hair. Attending the groom were his brother, John Cailliou and a friend, Robert Reed. Mark Strawson, nephew of the bride, acted as ring-bearer. Organist was Mrs. Verna Norris, and soloist Mrs. Norma Bunnell, both friends of the family. Norma sang "Be Thou with Them" during the signing of the register, and "The Lord's Prayer" during the service. Ushers were Gilbert Parent and Lyle Strawson. For her daughter's wedding, Mrs. Strawson wore a gown of pale pink dotted swiss nylon complimented by a corsage of roses in shades of pink. The groom's mother chose a yellow printed voile gown with matching coat and wore a corsage of yellow and orange roses.

A reception and dance were held at the Bon Accord Community Centre. The head table was centered by a three tiered wedding cake flanked by tapers and arrangements of mauve and white flowers. Rev. Herman Miller, uncle of the bride asked the Blessing. Another uncle, Mr. Jack O'Rourke, acted as master of ceremonies for the evening and also proposed a toast to the bride. Debbie Rutledge entertained the guests at the reception and two vocal selections and the guest book was attended by Vivianne St. Jean. Among the many guests attending were the bride's grandmothers, Mrs. Edith Strawson, Chilliwak, B.C., and Mrs. H. L. Henshall of Fort Saskatchewan, Alberta.

For her going away ensemble the bride chose a beige suite with brown accessories and a corsage of sweetheart roses.

The couple are making their home in Edmonton.

PUBLIC NOTICE

VILLAGE OF LEGAL

Pursuant to the provisions of Section 153 of the Municipal Taxation Act, Public Notice is hereby given that the Council of the Village of Legal intends to undertake the construction of concrete curbs and gutters as a local improvement, as per Section 145 of the Municipal Taxation Act. The estimated cost of the aforementioned local improvement is $117,000.00 repayable over a period of twenty years at a rate of interest not exceeding twelve per centum (12%) per annum, and charge the lands abutting that portion of the street or places wherein the local improvement is made at a uniform rate of $0.92 per foot of frontage over the said period of twenty years.

All costs in excess of the aforementioned rate per front foot will be borne by the Village at large.

The location of the proposed local improvements is as follows.

	ON	FROM	TO	SIDE
1.	51st Avenue	52nd Street	47th Street	N & S
2.	51st Avenue	47th Street	46th Street	S
3.	49th Avenue	50th Street	47th Street	N & S
4.	48th Avenue	51st Street	47th Street	N
5.	48th Avenue	50th Street	110' East of 49 St.	S
6.	52nd Street	50th Avenue	150' North of 50 Ave.	W
7.	52nd Street	50th Avenue	52nd Street	E
8.	51st Street	48th Avenue	51st Avenue	E & W
9.	50th Street	51st Avenue	Village boundary	E & W
10.	50th Street	48th Avenue	49th Avenue	E & W
11.	49A Street	47th Avenue	48th Avenue	E & W
12.	49th Street	48th Avenue	50th Avenue	E & W
13.	49th Street	170' North of 50 Ave.	51st Avenue	E & W
14.	48th Street	170' North of 50 Ave.	51st Avenue	E & W
15.	47th Street	150' North of 50 Ave.	51st Avenue	E & W
16.	47th Street	48th Avenue	49th Avenue	W
17.	47th Street	49th Avenue	50th Avenue	E
18.	46th Street	150' North of 51 Ave.	220' North of 52 Ave.	W
19.	46th Street	52nd Avenue	180' North of 52 Ave.	E

Notice is further given that unless the majority of the owners of the lands that may be assessed therefore, representing at least one-half in value thereof as aforesaid, petition the Council against it within two weeks after the last publication of the notice, the local improvement may be undertaken and the cost thereof assessed by the system of assessment referred to in this notice.

If no petition sufficiently signed has, within the time limited in the behalf, been presented to the Council against the local improvement or assessment aforementioned, the Council may undertake the proposed local improvement at any time within three years of the giving of the notice.

Date of the last publication of this notice will be the 21st day of May, 1975.

Dated at the Village of Legal this 9th day of May, 1975.

AGNES MONTPETIT,
SECRETARY-TREASURER
LEGAL, ALBERTA.

Tickets - available Shrine Circus

Tickets for the Shrine Circus being held May 28 to June 1st in Edmonton Gardens are now available at the office of Jaybar Realty in Gibbons, Mr. Jim Zahar, owner, being a Shriner.

Parents in Bon Accord and Gibbons of children up to nine years of age may obtain free tickets for their children and purchase adult or student tickets at the Jaybar office, but the supply is limited and those wishing to attend should get their tickets as soon as possible. The Shrine organization and Mr. Zahar donate tickets for boys and girls up to Grade 4 and the schools in Gibbons and Bon Accord have been supplied with 85 each.

Sturgeon Heights School

KINDERGARTEN AND
GRADE ONE BEGINNERS' PROGRAM

Sturgeon Heights School (Sturgeon School Division #24) will operate a Beginners' program from June 9 to 20 inclusive. Parents who reside in the Sturgeon Heights School attendance area and who have children who are eligible should call the school to register. Parents of children eligible for Kindergarten classes for next fall should also register their children. **PHONE: 459-3990.**

Grade One Beginners - 6 years on or before Feb. 29/76.

Kindergarten - 5 years on or before Feb. 29, 1976.

VILLAGE OF LEGAL

ARENA ADDITION

Sealed Tenders will be received up to 2:00 p.m., Friday, May 26th, 1975, at the office of the consultant for the construction of the Legal Arena Addition.

The addition includes dressing rooms, lobby, public washrooms, etc., a total area of 6,000 sq. ft.

General contractors may obtain plans and specifications and tender documents from the office of the consultant, upon deposit of a certified cheque or cash in the amount of One Hundred Dollars ($100.00). Deposit will be refunded upon return of all documents within six (6) days after closing of tender, complete and in good condition.

Tenders shall be accompanied by a Bid Bond in the amount of 5% of tender price. A Consent of Surety will also be required to be submitted at the same time for a Contract Performance Bond in the amount of fifty percent (50%) of the tender price.

Plans and specifications are on display at the Edmonton Construction Association office. Tenders for Prime trades close at 2:00 p.m., May 22, 1975 and Subs close at 2:00 p.m., May 21, 1975, at the Edmonton Bid Depository.

The Owner reserves the right to reject any or all tenders and the lowest tender not necessarily accepted.

MRS. A. MONTPETIT
SECRETARY-TREASURER.

Sturgeon Regional Recreation Report

REC FEST COLORING CONTEST

Hey kids! Do you like to color or draw? If so we have just the thing for you. Sturgeon Regional Recreation Department in conjunction with the Namao Horse Show and Gymkhana, presents Rec Fest "75" June 7 and 8 at Namao. Included in it are a coloring contest and poster contest. The coloring contest forms will be available from your school on Tuesday or Wednesday. All you have to do is pick one up, take it home, color it and return it to your school office before May 26. If coloring is just not your thing there is a poster contest. Materials will be available from your school office. Who knows you maybe one of the lucky ones who wins a prize worth $2 in food vouchers. These food vouchers can be cashed in at "Rec Fest 75" between 2 p.m. and 5:30 p.m. on Saturday or Sunday.

An addition to the coloring contest and poster contest, Rec Fest 75 also includes a handicraft display, craft demonstration, Ukrainian dancers, a karate demonstration, a weiner roast and two films. So why not come and see Walt Disney's "Sammy the Wayout Seal" and a cartoon feature but don't forget to bring mom and dad. Phone Janet Sherstabetoff, special events coordinator, Sturgeon Regional Recreation office at 939-4317 for additional information.

FAMILY CAMPING

Of special interest to families is the craft and recreation camp (formerly Pembina arts and crafts camp) to be held at Poplar Springs Park on Lake Isle from July 20 - July 24. A program of crafts such as weaving, pottery, basketry, painting, nature, cooking etc. and recreation programs will include canoe building, sailing, flytying and watersports. There will be nursery facilities for small children. Registration fees will be $5 for adults and teens and $2 per child. Tenting and trailer fees and cost of material and supplies will be extra. Phone Sturgeon Regional Recreation at 939-4317 for information and registration forms.

MULTICULTURAL CENTRE STONY PLAIN

The Heritage Agricultural Society in Stony Plain have restored an old school house in the town of Stony Plain and have created a "Pioneer Cabin" setting where live demonstrations of buttermaking, candlemaking and other pioneer chores take place. The building also houses a large exhibition area for displays of art or handicrafts which changes monthly, and a handicraft store. The building is open to the public from 1 p.m. to 4 p.m., on Thursdays and Saturdays. During the week tours for school children and special groups can be arranged. Phone Parkland Regional Recreation at 963-2777 for information.

1st woman completes Rescue course

Volunteer emergency technician, Mrs. Lynn Kowalchuk of the St. John Ambulance Emergency Service in Bon Accord, recently completed an extensive course in Advanced Rescue techniques at the Alberta Disaster Services training school in Edmonton. Lynn, the only female on the course in the school's history, spent five days with 17 other students from all over Alberta who were representing their fire departments, ambulance services and various business firms.

Mr. Frank Henny, training director of the Alberta Disaster Service Agency said that Mrs. Kowalchuk passed the course with distinction by placing second in the class of 18.

Rescue procedures during the courses involved using equipment such as thermic lances, hydraulic equipment, power saws, generators and many other devices involved in rescue operations. The information and knowledge gained by Mrs. Kowalchuk, will be of benefit to all communities presently being served by the St. John Ambulance teams.

Mr. Rejean Dennis a supervisor of paramedics with the City of Calgary Ambulance Services, also a student in the course, lectured to a combined group of Morinville and Bon Accord technicians at the Bon Accord school at the weekly instructional meeting. Mr. Dennis commended these community groups for their efficient and unique service to their surrounding communities.

Lynn Kowalchuk of the St. John Ambulance Emergency Service in Bon Accord became the first woman to complete Advance Rescue course at the Alberta Disaster Services Training School in Edmonton, placing second in the class of 18.

Funeral services for Lucien Provost

Rev. Father Lassonde, OMI conducted funeral services for Mr. Lucien Provost on Saturday, May 3, at St. Joachim Church in Edmonton.

Serving as pallbearers were Lucien Tremblay, Roger Letourneau, Leonard Merkowsky, Paul Brochu, Sideny Pitman and Mr. Dominique Coulombe. The burial took place at the Holy Cross Cemetery.

Mr. Provost was born at Westlock, Alberta and there he worked on the farm until 1943. He then bought Mr. Robert Barry's farm at Legal and later the Massey-Harris shop from Mr. Boisvert. While in Legal he was active in all community organizations. He served on the town council, was mayor and recently he was president at the Legal Alfalfa Products Ltd. In 1955 he moved to Edmonton and there he has remained until now, but he still had land and bees in the Legal area. His first wife, Adele Dandeneau preceded him 10 years ago. Later he married Mrs. Germaine Lauze-Pitman who also preceded him, in 1970.

Mr. Provost leaves his mother, Mrs. Ernestine Provost, four sisters, (Simone) Mrs. Paul Chauvet, Legal, (Germaine) Mrs. Lucien Tremblay of Beaumont, (Yvonne) Mrs. Len Merkowsky of Edmonton, (Jeannette) Mrs. Roger Letourneau of Edmonton, and one brother, Gabriel Provost of Westlock. He also leaves Mr. Richard Pitman and family, Elaine and Sidney Pitman, all of Edmonton.

Mr. Provost will be remembered for his willingness to help one and all at all times. Numerous friends and relatives from Westlock, Legal, Picardville, Vimy, Edmonton and Oregon, U.S.A., came to pay Lucien their last respect on May 3.

MORINVILLE MEMOS

By Marg Bentz

SPRING CLEAN-UP

The town of Morinville has proclaimed the week of May 18 - 24 as being Spring clean-up week. As has been done in past years, the Board of Trade fully supports this endeavour. Citizens of the community should take advantage of the opportunity to clean garages, yards etc., as the town will be putting extra vehicles on the garbage collection for that week. Let us all join together and make Morinville the envy of the Sturgeon.

The Lions Club wish to thank, on behalf of the Winnifred Stewart School for Retarded Children, all those who gave their support canvassers and contributors) during their recent Blitz night.

The next meeting of the United Church Ladies Aid will be held at the home of Mrs. Brenda Wright, 9809 - 98 Avenue on Tuesday, May 20 commencing at 8 p.m. We welcome new residents as well as long time ones to our meetings. For further information please call Jean Robinson at 939-4153.

ELECTION RESULTS

A total of 429 good citizens got out and voted at the recent bye-election for town council. Roger Champagne, our new councillor, received 256 votes, while Dave Phillips received 160 votes and Eugene Geoffroy 13. There were no spoiled ballots.

There will be a census of the town taken shortly.

The Morinville Tiny Tots are looking for a playschool teacher. Interested parties apply to Claudia Lansink, Box 207, or phone 939-4883.

Morinville kindergarten will hold an organizational meeting with the parents of 1975-76 kindergarten children at the Recreation Centre on May 21 at 7:30 p.m.

Anne Kryskow, Betty Carlson, Anne Kuzie and Mike and Olga Manasterski left on Friday, May 9 for a two week tour of the Ukraine and Russia.

Morinville welcomes two new residents this week, courtesy of the University and Sturgeon General Hospitals. Terry and Hazel Kercher brought home their first born Christina Lee; who arrived May 6 at 3:16 a.m., and weighed 7 lbs. 14 ozs. Just 15 minutes prior to this (3:01 a.m.) Dan, Diane and Kirsten Wahlfeldt welcomed a little (?) boy Travis Walter who weighed in at 9 lbs. 9 ozs. Congratulations!

Mothers of Morinville were treated to a fine "Mother's Day" breakfast at the Recreation Centre Sunday morning (May 11). An estimated 300 people were served by the Lions. The bacon, eggs, toast and coffee special went to the moms free, compliments of the Lions. Thank you boys for the enjoyable morning.

BASEBALL

Morinville bantam girls blew a big lead against Bon Accord on Thursday, May 8 and wound up with a 30-30 tie. Other minor baseball starts Wednesday, May 14, when Morinville Beavers take on Riviere Qui Barre at the Yellow school diamond at 7 p.m. At the same time, their older brothers (bantams) will try the Riviere Qui Barre bunch at the big diamond.

Final T-Ball registration will be Thursday and Friday night at the Notre Dame School at 7 p.m.

Baseball spectators are invited to all games which may be viewed any evening of the week at the George Vanier or Yellow school diamonds (7 p.m.).

Quote of the Week: "The Rifle Range is going great guns!" . . . Doug Ramer [Wednesday - 7:30 p.m. at the Arena].

YOUTH GROUP

Morinville's new youth group - Today's Youth Tomorrow's Leaders, will be holding meetings Thursdays at 8 p.m. in the International Building, which was donated to them for this purpose. The club boasts 30 paid up members and is headed by the following executive: Ronald Cust, (president); Gail Trach (vice-pres.), Sandra Hewko (treasurer), Charlene Rousseau (social advisor and club reporter), Lorraine Goebel (social convenor), Sherry Gibeault (secretary) and Mrs Cherrie Airial (acting co-ordinator). Many fund raising projects are in the works (spring clean-up, teen day, bottle drives and record hops). The TYTL plan to host 20 youths from St. Albert, Ontario (June 19-24) as well as a summer camp of their own. These youths certainly deserve our support in their undertakings.

Readers co-operation in telephoning or bringing in news items is much appreciated, and as early in the week as possible. Please phone 939-4145, or drop off at 9901 - 99 Avenue (one block east of Butt's Auto Body).

Morinville Seniors host Bon Accord

By Dorothy Daignault

The Senior Citizens Rendezvous Club house was filled to capacity Friday evening for our whist drive and bingo, 16 tables were filled up. We had the pleasure of having the senior citizens group from Bon Accord over for the occasion.

The first prizes for whist were won by Mrs. Otto Rothert and Mr. Matt Hittinger. Boobies went to Mrs. Matt Hittinger and Mr. Deedman from Bon Accord.

The winners of bingo were Miss Martha Rafn, Mrs. Joan Hill, Mrs. Anne Brennan from Bon Accord and Mrs. Jane Nouwen, and Mrs. Elizabeth Kieser. Mrs. Hermina Houle won the door prize.

Our two members from Edmonton - Mrs. Valeda Trottier and Mrs. Yvonne Tellier were present.

A delicious lunch was served and the strawberry shortcake was good!

Results of Morinville election

Roger Champagne was elected to Morinville town council May 7th after a good turnout at the recent bye-election.

The election was held following the recent vacancy on council left by former councillor Vince Curtiss who passed away before last Christmas.

According to town secretary Paul Brochu there was a 50 per cent turnout at the polls which were held in the Morinville Recreation Centre which is heavy for a bye-election.

Out of 421 votes cast, 256 went to Mr. Champagne, 160 to Dave Phillips and 13 to Eugene Geoffroy.

Barley Growers: When You Don't Get a Second Chance to Knock Out Wild Oats Let AVENGE® Make The First One Count!

AVENGE® for Control of Wild Oats in Barley

Even light infestations of 1-10 wild oat plants per square foot may cause severe barley yield losses which, if saved, would more than pay for the cost of control.

AVENGE® 200-C Herbicide gives excellent control of wild oats when applied from the 3-6 leaf stage of the weed — a wide flexibility of timing of application.

So this year start to rid your fields of wild oats, increase your barley yields and save on dockage at market.

Display will be held in the Regional Recreation Building gym; a two-day show. No prizes, no judging, but a worthwhile show of non-professional talent! Contact Mrs. Rhonda Stapleton at 939-4055 in order that your entry may be included.

HOME BAKING

A judged display of home baking will be held in conjunction with the arts and crafts display, (in the same building) and you are encouraged to contact Mrs. Mary Hittinger at 939-4473. The Central Sturgeon Agricultural Society is in charge of this particular event.

Don't forget the dates are June 21 and 22 for Morinville Frontier Daze "Salute to Agriculture."

Warm welcome to husbands

By Lucienne Montpetit

Les Femmes Chretiennes held their monthly meeting on May 5. Father Bissonnette opened the meeting with a prayer.

Mrs. Paul Clouthier, president extended a warm welcome to all the husbands and told them, we are flattered to have so many of you join us this evening. She commented that we should be proud that four of our students have won on the Diocesan level in the contest on vocations.

The secretary read the minutes and the correspondance received. A thank you note from Sister Simard in appreciation for the flowers sent to her on behalf of all the members when she was hospitalized. Also thank you notes from the students who were winners in the contest on vocations (local level) and received trophies donated by MFC.

Irene Maurier, secretary-treasurer gave the financial report. The president congratulated Dorothy de Champlain who is replacing Fernande Van de Walle as councillor representing the region on the Diocesan council.

Aline Rivard gave her report on the bake sale and everyone for their support making it a real contribution for Peace and Development.

Ideas were given for the float for Fete au Village.

Elections were held for the nomination of the new executive. Irene Rivard was elected president, Aline Rivard vice-president, Laurette Pelletier, secretary and Fernande Letourneau and Beatrice Maurier councillors.

Special thanks to the outgoing members for a job well done and good luck to the new executive.

Father Bissonnette played a very interesting tape entitled "Mother of a Priest."

Laurette Pelletier well deserved the special thank you for all the delicious lunches she prepared with other ladies for the meetings.

Following the adjournment of the meeting everyone enjoyed playing cards.

Marie Charrois won the first prize for winning the most games and Lucienne Montpetit the boobie prize.

Lunch concluded the last meeting till fall.

BILLBOARD

THURSDAY EVENING - A.A. meetings held at 8:30 p.m. Recreation Centre. Phone 939-4447.

SATURDAY, MAY 31 - Cub and Scout Tea. Gibbons Community Hall - 2 - 4 p.m.

SAT. MAY 24 - Bedding Plant Sale at Bon Accord from 1:30 p.m. Phone Pat Reichle for further details - 921-3535.

Farm Science

SCIENTISTS RECEIVE BANK AWARD

Dr. R. Keith Downey of the Agriculture Canada Research Station in Saskatoon, Sask., and Dr. Baldur R. Stephansson, a University of Manitoba professor, have been given the Royal Bank Award for 1975. They were honoured for their work in developing improved strains of rapeseed. The Royal Bank Award recognizes Canadians who have made "outstanding contributions to human welfare and the common good."

COUNT THE WEEDS

An Agriculture Canada scientist has found a simple way to help a farmer decide whether or not to spray for weeds in his field crops. Sometimes the increased profit from larger yields might not cover the cost of spraying against weeds.

The farmer counts the number of weeds in several yards of his field and figures out the average number of weed plants a square yard. Using mathematical tables worked out at the Lacombe, Alberta, Research Station, he can determine by how much the weeds will reduce his yield.

For example, if there are 20 wild oat plants to every 150 wheat plants in a field, the wheat yield will be reduced by 17 per cent.

KEEP THE ANIMALS CALM

At slaughter time, all youthful meat is tender. Biochemical changes after death determine the final toughness of the meat. But if stress is avoided in the 24 hours before slaughter, the quality of the meat is higher, and long periods of hanging can be avoided. Stress releases chemicals in the animal that can cause the meat to become rubbery after slaughter.

Namao 4H Beef Club

By Teresa Engley

The May meeting was held at Laurier Ricard's. The meeting was mainly the deciding of the Achievement Day display. We decided what we are going to do and a committee was formed and a date set to work on it.

The grooming demonstration will be held before Achievement Day, the date to be set later.

A delicious lunch was served after the meeting.

Concert concludes Legal playschool

Mrs. Parent's playschool class in Legal. Left to right kneeling - Gail Vandenhouten, Dean Witters, Norman Berube, Ronald Limoge. Standing - Sandra Carlson, Andrew Hudec, Ian Miller, Jeffrey Kremer, Mrs. Rita Parent, Christine Labreque, Louise Garneau, Billy Ellison and Todd Mahe.

Mrs. Montpetit's playschool class. Left to right [front row] - Tambra Campbell, Denis Lessard, Sandra Derrien, Kimberley Roulston. Second Row - Denis Chauvet, Andre Montpetit, Cheryl Clouthier, Richard Morin, Lucienne Montpetit and Leslie Boisvert. Carrie George, Allan Keane Jr., Pauline Cyre, Darin Rempel were not present for the picture.

By Lucienne Montpetit

On May 1 the school gym buzzed with activity. Parents, friends and relatives were entertained at a culmination concert presented by the playschool children.

The evening began with O'Canada sung by both classes. Rita Parent and Lucienne Montpetit (teachers) welcomed the people and commented that working with their children was a rewarding experience. They thanked the parents for their co-operation during the playschool year, also to Pat Montpetit who printed some 1,600 sheets for them and the ladies who helped behind the scenes to get the children ready with their costumes for their special numbers.

Rita spoke in English and Lucienne in French to avoid repetition.

The evening program comprised of choral speech, words and movements, action songs and band selections. The children performed very well and displayed their many talents.

The program concluded with graduates marching in with their graduation hats, to receive their certificates and progress sheets that were presented to them by Mrs. Jeanne Maurier (representing the Rec. Board).

On behalf of the parents in Rita's class Mrs. Darlene Witter extended many thanks to her, and Mrs. Juliette Montpetit thanked Lucienne on behalf of the parents in her class. They both thanked the teachers for the wonderful work they had done with their children. Petite Gail Vandenhouten and Kimberley Roulston presented their teachers with a token of appreciation.

Rita received a lovely silver locket engraved "Playschool 1974-75" and Lucienne was given a beautiful charm bracelet with an engraved charm "Playschool 1974-75."

We wish to thank the parents for their beautiful gifts. Their thoughtfulness was greatly appreciated and a very touching gesture from their part.

START YOUR BACKYARD GROWING AND FIGHT INFLATION AT THE SAME TIME.

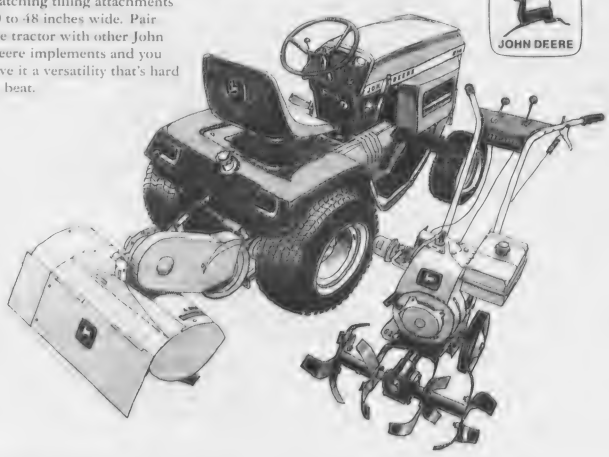

Growing your own vegetables means you can save dollars on your yearly food bill. But it can also cut into your leisure time with a lot of extra work. And that's where John Deere gardening equipment can lighten your growing pains.

If you're planting a lot, a John Deere Lawn and Garden Tractor gives you all the work capacity you need. Choose from six models. From 8 to 19.9 h.p. with matching tilling attachments 30 to 48 inches wide. Pair the tractor with other John Deere implements and you give it a versatility that's hard to beat.

Then if you're planting a little less, you'll be interested in a John Deere Rotary Tiller. Available in 3½ or 6 h.p. size, it'll work your soil to the desired depth in tilling widths of 13 to 24 inches. And this width may be extended to a full 34 inches with optional extension tines.

So whatever suits your growing needs best — a John Deere Lawn and Garden Tractor or Rotary Tiller — they're both built with quality and reliability that's become a tradition. A tradition backed by John Deere dealers all across Canada who offer what you would expect from John Deere: expert service, outstanding parts availability, and convenient financing. That's why people say, "Nothing runs like a Deere".

Student protests errors

I noticed some unfortunate errors in the article entitled "Morinville raises $1200 for Share Lent" on page 32 of your issue of May 7, 1975 and hope you will be able to take some space to correct these. In the headline the figure stands at a total of $1200, yet in the story the total jumps to over $2100. As well as this, in three instances letters which should have been, capitalized were not (in the names of Junior and Senior Students' Unions) and also one name was spelled incorrectly.

I feel I am in a position to point these out to you, as I have been involved in various types of journalism for the past five years, it was I who wrote the news article, and it was my name which somehow ended up with an "I" in it. I feel something is lacking on your part - or on the part of an employee. The article had been typed out purposely, so that no one would have to decipher my handwriting - and all mistakes were corrected on the sheet. Because of this, I fail to see how so many typographical, or perhaps careless, mistakes could have been made.

As for the headline, it was misleading and disappointing. Many people put in many hours of voluntary time to make Share Lent '75 a success, and many others donated money so generously. To report $1200 as our total collection was false, and I think it's a bit unfair to the members of our committee.

If your staff member had read the article with any care and had managed to get the digits in the correct order, everything would have been just fine.

It is unfortunate that this should have happened, and I realize that everyone does make mistakes, especially when things may be rushed. However, it has happened before, and this is what finally made me so frustrated. I have been submitting articles to your paper for the past three years in connection with school news, and it is a rare occasion when the story appears error-free. And I know my name is a trifle unusual, but everytime it gets in the paper, it seems to take on a new look. I never realized just how many things you can do to get so many variations on one four-letter word! Readers must think by now that I belong to a clan and have a string of sisters and brothers with similar sounding names.

Another thing I would like to bring up is the delay in printing stories. I'm aware of the fact that space is limited and a variety of stories must be printed, but in my opinion, the school is almost the core of our community, and it should receive the respect it deserves. I am in no way insisting that all the articles I submit be printed, but rather that more attention be paid to what the younger members of the town are interested and involved in. It's many a time that a story I have sent in appears in the paper two weeks later, and I hear complaints of "stale" news. Do you not have any reporters who visit the smaller towns to report on events of interest? It perhaps would be a solution to the problem, for his stories would no doubt be an improvement on mine. I seem to be the only outlet from our school, and everyone depends on me and expects me to cover everything that goes on, and if I am not able to do all of this, our great (?) achievements go unnoticed.

I hope I don't appear to be condemning you and the Gazette. On the contrary, I feel it is an excellent rural paper which fills many needs in the Sturgeon area. You have a good sampling from many smaller communities, variety, and most important, an interesting publication. My complaints may seem to be of little consequence at this time, but small things have a tendency to add up. I hope you will be able to keep up the standard you have achieved by watching for these types of very minor mistakes in the future.

Renu Khullar,
Georges P. Vanier
High School,
Morinville.

P.S. I hope you have the space and the guts to print this letter.

What have you got to lose?

Your Eyes. A mountain sunset. A good book A game of golf. A child's smile That's what you've got to lose

Your Hearing. A bird at your window. The laughter of children. A good joke. Your baby's first word. That's what you've got to lose.

Your Hands. A game of softball Buttoning your shirt Tying your laces Brushing your teeth That's what you've got to lose

Your Back. An afternoon of gardening Getting into your car A day skiing A comfortable night's sleep. That's what you've got to lose

Your Legs. A brisk walk on the beach. A game of tennis Going upstairs Going downstairs A bicycle ride. That's what you've got to lose

Your Life. The rest of your life. That's what you've got to lose.

You have a lot to lose.
And safety has a lot to give. Follow safety regulations Wear protective equipment. Have a safe attitude. Have a safe life.

WCB

WORKERS' COMPENSATION BOARD·ALBERTA

VIMY NEWS

By Darlene Provencal

Darcy and Val Marie Baert are very pleased with the safe arrival of a little son, born at the Misericordia Hospital on May 7, weighing 7 lbs. 14 ozs. A brother for Becky. Congratulations.

Roy and Merle Cunningham returned home this week from holidays, bringing with them Merle's brother and his wife from B.C. to spend several days with them here.

Jim and Barb Henderson left at the beginning of the week for a week's holiday. At time of departure they had no definite plans of a location. Have a good trip.

Mr. and Mrs. Philip Fagnan motored to Fox Creek for the weekend to visit with their daughter, Denise and her husband Garry Schreiner. It was also the occasion of Denise's birthday.

Bill St. Arnaud was feted at a birthday party in his honour on Saturday, May 10. Happy birthday, Bill.

With Mother's Day just passed, I hope all you Mother's had a very enjoyable day.

Mother's Day treat

The local mothers were treated to a Mother's Day tea Saturday, May 10, 1975. The 1st Legal Company and 2nd Legal Pack honoured their mothers and friends to homebaked cookies, cakes, squares and coffee. Kool-Aid was served to the young ones. Three tables had been set up displaying a variety of craft articles which the girls had been working on for the past months. The Mother's Local Association would like to thank all who donated some crafts toward this worthwhile organization.

The annual mother, daughter, father banquet will be held on May 28 in the Community Hall. This will be a "Casserole Pot Luck" supper.

Brownies of 2nd Legal Pack will be having a spring indoor camp May 30, 31 and June 1. It will be held at Recreation Centre.

Joint Girl Guide and Brownie Hay Ride and Weiner Roast is planned for May 31. Hope the weatherman favours us with sunshine.

Municipal District of Sturgeon No. 90

CANCELLATION OF STREET AND AVENUE HAMLET OF ALCOMDALE

The Council of the Municipal District of Sturgeon No. 90 intend to cancel sixth street, Plan 866 C.G. with the exception of the portion intersecting with Union Avenue. Portion of Railway Avenue from sixth street to fifth street located immediately north easterly of Block 6, Plan 866 C.G. is also to be cancelled under bylaw.

Persons affected by the aforementioned street and avenue cancellation are to present their objections to the undersigned on or prior to June 12, 1975, on which date a hearing will be heard by Council at 2 p.m., in the Municipal Office at Morinville if objections are submitted.

ALPHONSE NOBERT
SECRETARY TREASURER.

LEARN BEFORE YOU EARN

Block Bros. claim as Canada's most innovative realtor has been established with our prominence in developing the original Home Trading Program. Block Bros. Catalogue Services and Sales Education Programs. We now have turned our attention in informing you about our business in order to aid you in making a CAREER DECISION.

Block Bros. recognize that you may be interested in the real estate profession but because you lack information you are not yet ready to make a career decision. To solve this problem, we have developed a comprehensive 'four evening program' using professional realtors, sales managers and professionals in related fields. We will answer your questions about opportunities and problems in our business. Our past courses have filled quickly as registration is limited to 30 per session. **Phone JOHN LANDRY at 458-2288** and register now for our next course. We offer this to you at **NO OBLIGATION AND NO COST.**

Block Bros.
NATIONAL REAL ESTATE SERVICE LTD.

Swimming pool staff are hard at work getting the facility ready for the May 17 opening. Pool supervisor Keith Walker is seen at right.

It saves an awful lot of wrangling over who gets the most meat
